

DOME OF TABLETS - HOLY OF HOLIES

The purpose of this illustration is to depict the Holy of Holies of the Temple of YHVH on the Temple Mount as it would have looked like and will in an outline taken from a picture of the latest Palestinian Muslim riots there. With the riots that constantly occur, usually after Friday Prayers of the Arab Muslims, the gathering on top of the Temple Mount, frequently ends-up in riots. If one has had the privilege of visiting Jerusalem and gone atop the Temple Mount, it is the most valued and prized real estate on the planet. Why? According to the Bible, it is where YHVH put His Name and Presence dwelt, precisely in the Holy of Holies. One can sense the enormity of the expanse of such a Platform of stone that essentially has leveled an entire mountain top, that of Mount Moriah. It was there, up a ways at the very pinnacle, at the connecting Mount Calvary area that YHVH had led Abraham to go up with Isaac, this son carrying blocks of wood for the sacrifice that ultimately was to become him. Both Abraham, as the Father and Isaac as the Son, were a type and picture of GOD the Father and GOD the Son arranging the atonement that had to be made for Humanity there. This was a test for Abraham as much as it was for Isaac in that he was a 'Willing Sacrifice', and such not a 'Human Sacrifice'. The Temple Mount was

THRONE CHAIR OF THE ANTICHRIST

The purpose of this illustration is to suppose that the original *Ark of the Covenant* that Moses built at *Mount Sinai* is still in existence and hid away. There are those that believe it is hidden in subterranean chambers beneath *Jeremiah's Grotto*, which is outside the walls of Jerusalem and next to the Skull precipice and *Garden Tomb*. The main question is, what supposes that the *Ark of the Covenant* is to be relevant in the *Last Days*? This study believes that the relic will play a central part based on Daniel's last *Week of Years* and the coming 3rd Temple. The argument is as follows. If Jeremiah was instrumental in hiding the *Ark of the Covenant* in the caves just outside of Jerusalem, why did it not surface all during the 2nd Temple period? It has to do with the spiritual condition of Israel. One takes the events yet to unfold per Revelation. There will be a coming AntiChrist or false Messiah that Israel will accept. At a certain time, this man is said to enter a Temple, the *Holies* wherein he first will take a stance and then enter the *Holy of Holies*. He will piece the *Veil* and sit in the *Holy of Holies*. If the future Temple *Holy of Holies* will be like that of the 2nd Temple, then there will be no place to sit in that perfect cube; for it will be totally dark and empty. Foremost, one does have to deduce and extrapolate then that there will be a physical 3rd Temple built at some point in time. Then there has to be some sort of object or furnishing within the *Holy of Holies* that resembles a 'chair' or throne more like it, that the AntiChrist will be able to 'sit' on.

Will such holy vessels be revealed soon that perhaps have been hid all these years in the underground chamber of *Jeremiah's Grotto*? This study is not suggesting that now precisely on the 70th year is when the *Ark of the Covenant* is to be revealed but that Israel has reached a significant and perhaps prophetic milestone for such an endeavor to take place soon thereafter.

THE THRONE OF YHVH

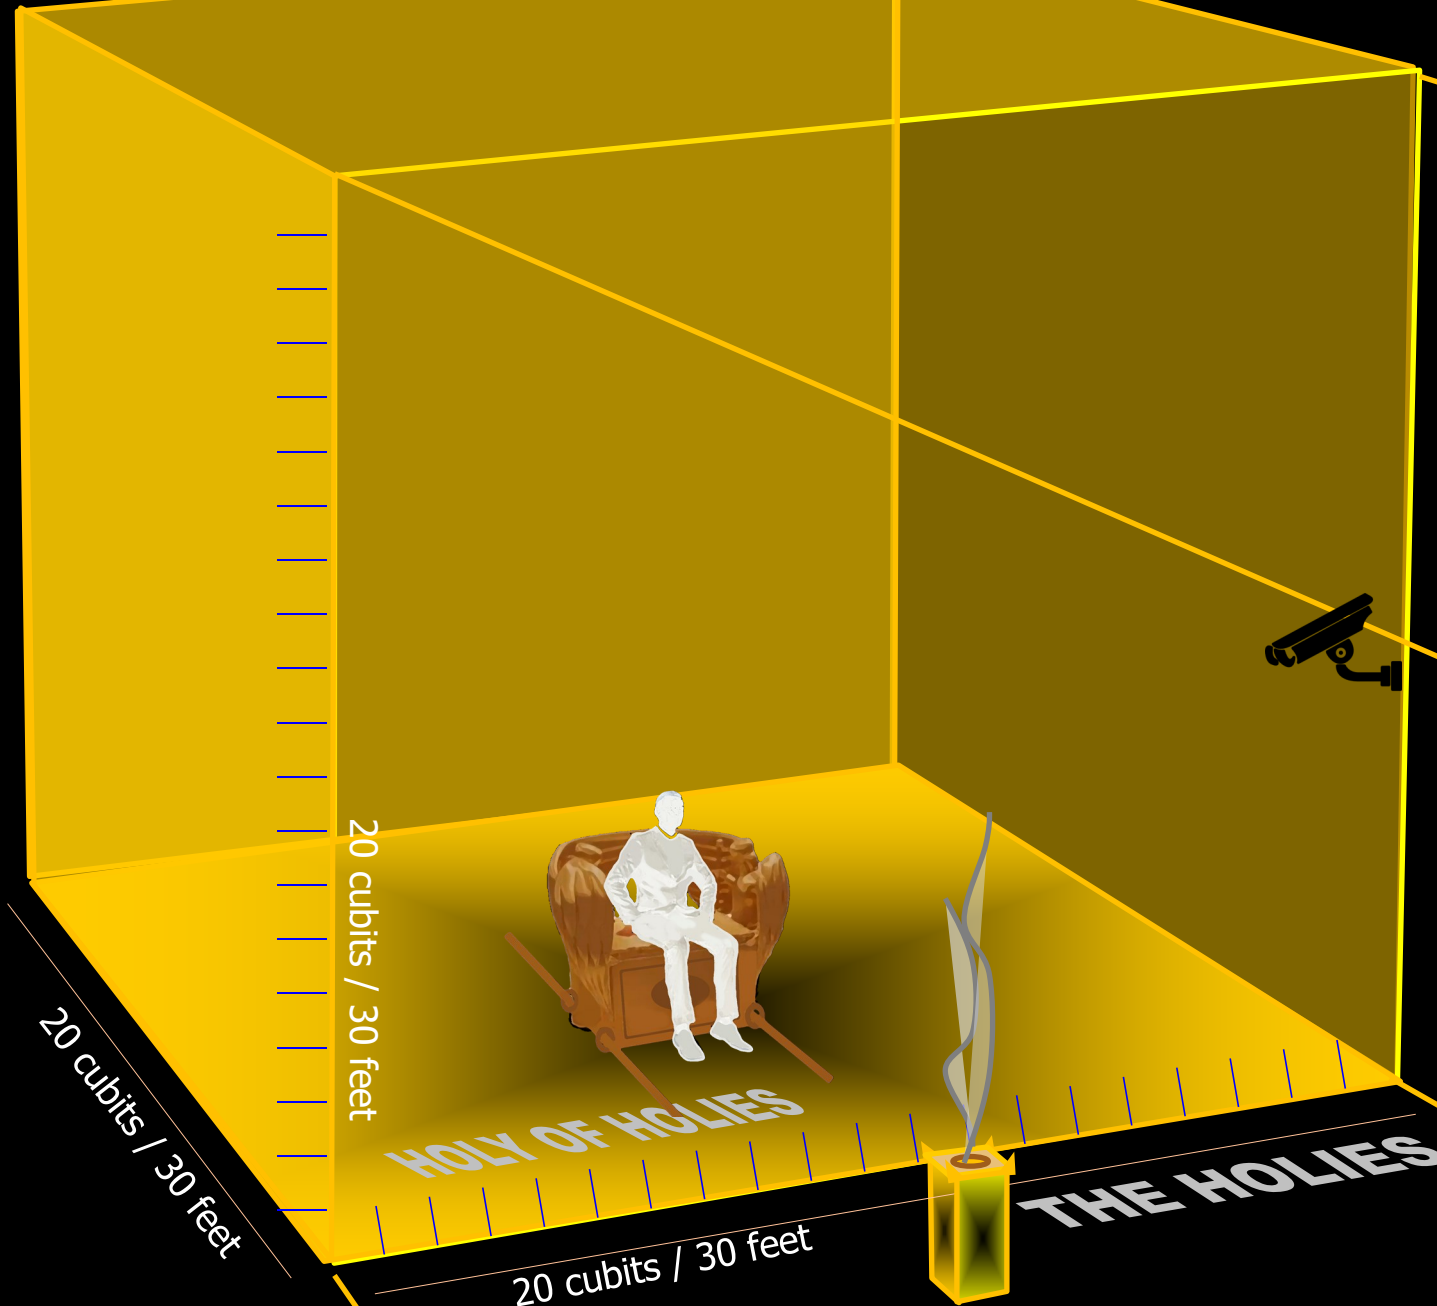

ARK OF THE COVENANT

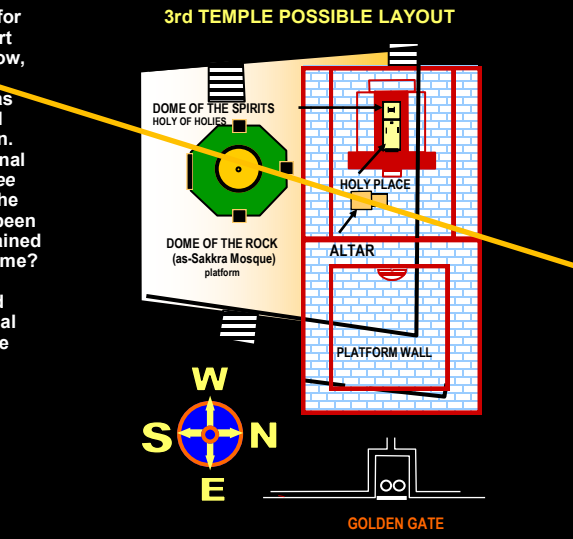

Is it any coincidence that the efforts of such institutions like the *Temple Institute* and others have reached the conclusion of their preparations to coincide with Israel's 70th year marker anniversary? The 70th year time marker is such that Israel is now qualified and able to remove and transport the *Ark of the Covenant* and prepare the *Temple Mount* to be consecrated by the *Red Heifer*, etc. This could not have been said even as far back as 2 years from the 70th year anniversary.

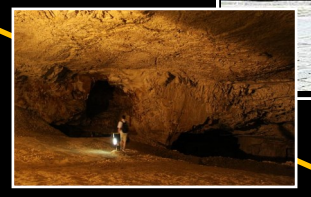

REVELATION OF THE ARK OF THE COVENANT FOR THE 3RD TEMPLE

TEMPLE MOUNT Top View

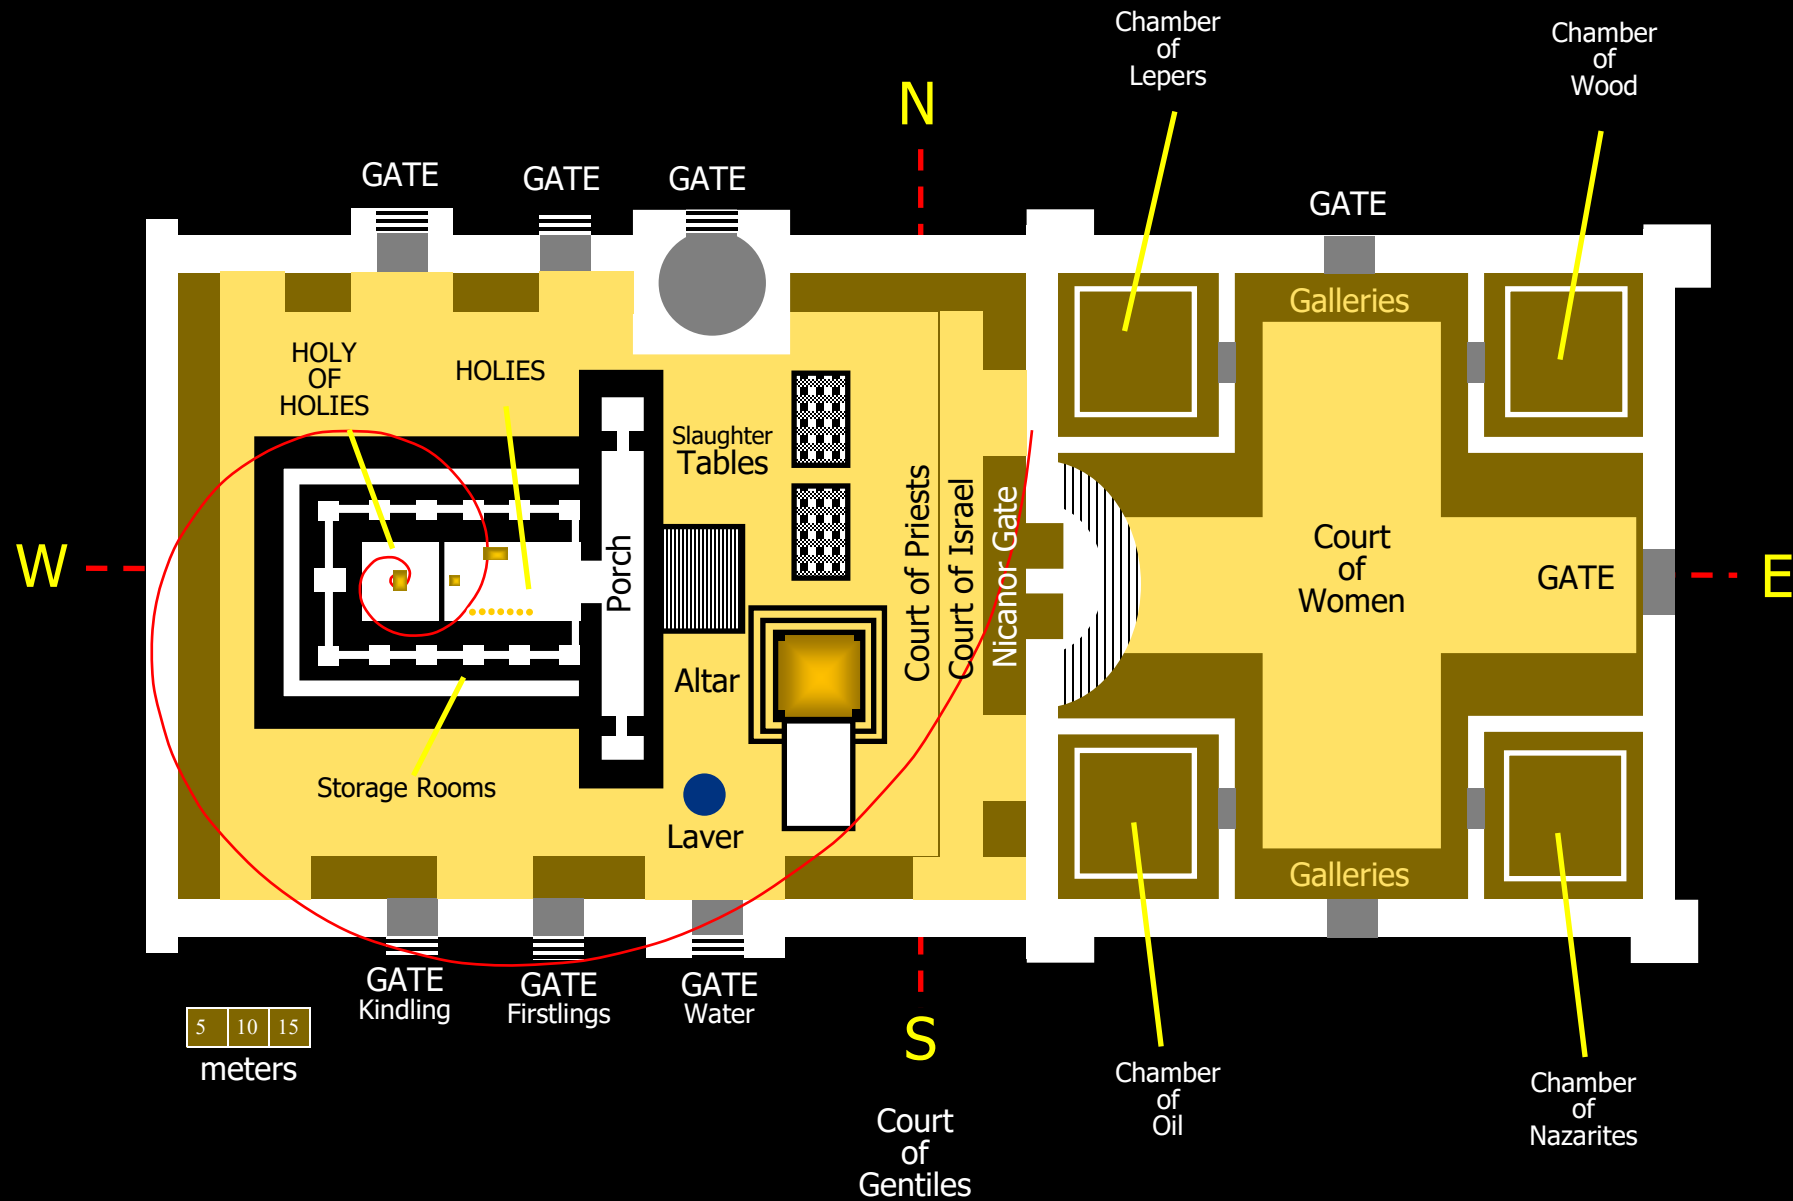

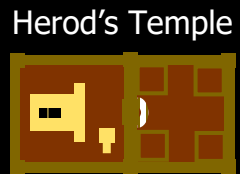

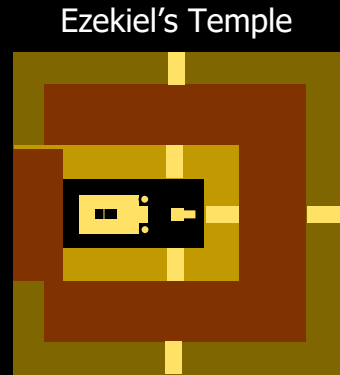

Apparently, the Jews were spiritually unworthy for such a restoration until they would set their heart to be restored fully by YHVH. As it is the case now, Israel is suffering partial blindness according to the Apostle Paul. However, since 1948, YHVH has embarked on a staged restoration, in pieces and prophetic despite their national heart's condition. By some interpretations, the timing of this national restoration is pegged to the budding of a *Fig Tree* that Jesus likened Israel would become. Thus, the question remains, has the *Ark of the Covenant* been hid until a degree of spiritual 'worthiness' is attained in Israel to reveal it? Has this heart condition come? In theory, the efforts of such enterprises as the *Temple Institute*, the *Temple Mount Faithfull* and others, would suggest that indeed, a true spiritual threshold has been attained, and that to coincide with the 70th year marker.

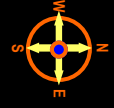

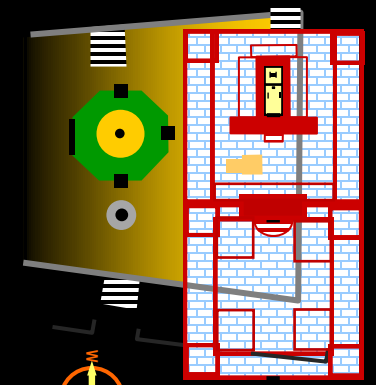

What illuminated the *Holy of Holies* chamber if there was no light in the 1st Temple? The light in those days came from the Glory of the Presence of YHVH that resided in-between the 2 Cherubim of the *Ark of the Covenant*. What will light-up the Holy of Holies during the 3rd Temple? It will be the 'Light of Lucifer' as the Bible clearly states that Lucifer can masquerade himself as an *Angel of Light*. This is exactly when Lucifer will embody the AntiChrist to sit on the *Ark of the Covenant*, etc. The *Ark of the Covenant* was not one of the items inventoried as plunder by the Babylonians. As it was and is Israel's premier relic, the Babylonians like the Philistines would have paraded it, written all about it and desecrated it for sure. It would have been the prized position to parade in the main street of Babylon, etc.
