## APPLICATION FOR MEMBERSHIP

1. **Application:** Membership application must be completed giving name, address, telephone number of applicant, and billing address if different than address of property for water service. Full payment of application fee for new construction is required with application.
2. **New Construction/Sewer System:** A Certificate of Septic Approval from the County Health Department showing that an approved sewer system has been installed or application for Construction Tap must be attached before a meter can be installed. The district will be responsible for meter location. Membership (Tap) fee is nonrefundable.
3. **Meter Location:** The meter must be installed on the property to be served or an easement provided for the meter installation and service line. The district will be responsible for meter location.
4. **Access to Premises:** The applicant agrees that RWD #12 shall have the right at all reasonable hours to enter upon the applicant premises to read and test meters, inspect piping, and to perform other duties for the proper maintenance and operation of service, or to remove its meters and equipment upon discontinuance of service.
5. **Transfer:** When property sells, the membership transfers with the ownership of the property unless otherwise stated in the sales contract. The district will require proper new membership forms completed and the account paid current prior to transferring the account to a new owner.
6. **Construction Tap:** An applicant requiring service for new construction may request service prior to a sewer system installation and approval, and a membership application involving a construction tap must be approved by the district.
