

“We Care Program”

Being homeless, stranded or down and out is not a choice that individuals wake up and make. Today we want to let you know that there is someone who cares. We are trying to do our part through our “We Care” Program. The small gift we pass out hopefully can help nourish the body, mind and soul. The Bible tell us that *“I can do all things through Christ who strengthens me”* Philippians 4:13. At BBV2M LLC., we practice that and believe it. We are hopeful that our gift brightens the day and gives encouragement to those in

Misconceptions About Those Who Are Homeless

There are so many misconceptions about those who are homeless. We here them all the time. They steal, they will hurt you, they are rapist, they are psychotic, they are con-artists just t or they are alcoholics or drug addicts just to name a few. I am pretty sure as you drive your vehicle you see them on the side of the road and you say where did they get the pen to write that nice sign that they are holding up. Or you say every time I come through here I see the same person and he or she is not going to fool me this time. However the majority of those who are homeless do have a story and you will find out they are no different than the rest of society.
