

## *Preparing for your bird's first visit to Marlborough Vet.*

### The night before your visit

Clean the cage bottom and place fresh newspaper down.

### On the morning of your visit

Place waxed paper over the newspapers.

### To transport

Remove newspaper and waxed paper by folding and placing into a bag.

Place bird into a small transport cage.

Cover the cage to minimize stress to the bird.

If the weather is cold please be sure to warm up the car before placing the bird into it.

Arrive 15 minutes prior to your scheduled time to fill out new client forms and fill out avian history information.

Bring all information relevant to the history of the bird including type of food being fed, any supplements being given, any prior history including sexing and testing.
