Certified 8(a) under the SBA

SBA
8(a) Certified

Capabilities and Expertise

Since our founding in February 2014, ACC3 has been hard at work building quality partner and client relationships by engaging, listening, assessing and delivering solutions meeting or exceeding client and partner needs and expectations.

📄 Program/Project Management support and execution

📊 BPM techniques to identify cost savings and increased operational efficiency

🎓 Client Training, Enablement and eLearning (Distance Learning)

🎛 Agile development process

⚙ Multiple software development life cycle (SDLC) techniques

⚠ Stakeholder / Risk Management

Effective Leadership

Our management team's ability to put together well organized teams on our client and partner engagemets has been a key success factor for ACC3. With a combined 60 plus years, ACC3's leaders are excellent at forming the right team or teams to bring you peace of mind.
