

Youth Performance Ensemble

Youth Performance Ensemble is the pre-professional ballet training program at Dance Endeavors. Students take classical ballet technique to the next level by studying technique and classical and professional styles of choreography. This ensemble is for our ballet dancers who want to dive a little deeper, study classical ballet, and perform both classical and contemporary ballet pieces.

Placement auditions are open to all levels age 9-18. The audition is free!

YPE is led by Dance Endeavors Owner/Lead Instructor Juli Mickelson and Lindsey Mornson. Lindsey holds a B.A. in Dance and Sociology/Anthropology from St. Olaf College where she performed with Companydance. She has worked with local and national modern dance artists, Gabriel Anderson, Alexandra Beller, Karla Grotting, Heather Klopchin, and Kari Mosel as well as performed in two American College Dance Festivals. Lindsey also attended Blue Lake Fine Arts Camp in Michigan in their Ballet Ensemble receiving instruction from professional dancers from around the Midwest. We will also bring in guest instructors throughout the program year.

The YPE program runs October-February. Rehearsal days/time will be determined in September following auditions.

For additional information about YPE contact Juli by email: juli@danceendeavors.com.
