During the tournament an unfortunate error was made by shoot management with regard to earned yardage for Jim Sweet in Friday's handicap event. Jim shot a 97 which is an automatic yard but he was only punched 1/2 yard as indicated by the number of entries. Jim in good faith shot Sunday's handicap at 19.5 instead of 20. Despite Jim's unintentional action ATA rules require the disqualification of his score. Shoot management sincerely regrets the error and apologizes to Jim. Jim's great shooting at the tournament is not diminished by this unfortunate incident.
