Treasurer's Report: Report was read aloud and is attached hereto. Donnie asked if a check was written last month to the RCM for region. Angel said that there was not a check written. Renee asked why prudent reserve was with functioning money in the account. Angel said that there was not two bank accounts to have them separate. Renee then clarified that she meant why are they not on separate pay lines on the report. Angel said that they were separated on the report. Barbara said that looking at the numbers it is confusing and if you don't have an accounting history it can look like the numbers are fluctuating. Barbara then asked for a motion form. Report accepted by Renee and seconded by Lois.

RCM's Report: No Report Given

Policy Report: No Report Given

Web Master Report: Report was read aloud and is attached hereto. Tommy asked if we come up above club recovery on the web. Bob said that he wasn't sure but he did give club recovery a new meeting list so it is correct on their web site. Report accepted by Donnie and seconded by Lois.

Sub-Committee Reports:

Activities Report: Report was read aloud and is attached hereto. Report was accepted by Bob and Seconded by Lois.

Help Line Report: No Report

H&I Report: No Report

LDO Report: Report was read by Barbara. Barbara apologized for not making a timely order this month. Tommy said that maybe we should up our literature order so we can have the stuff on hand to give at the time of area. Barbara said that she has done that but that wouldn't have helped in this case as LDO's rarely stock 30 year medallions. Tommy said that maybe we should just up the literature order then. Barbara said that she will. Report accepted by Renee and seconded by Bob and attached hereto.

Public Relations: Report read by Tim sitting in for Kevin. Tim also added that he wanted to make sure that the footwork that has been put into PR is continued after he leaves to go back up North. Report accepted by Lois and seconded by Renee and is attached hereto.

A vote was taken with the GSR's and a unanimous decision was made to donate literature to the group. The area donation totaled \$72.70. A separate donation was made to the group from ROTR equaling two months' rent for the meeting space and a private donation was made by a member.

Motions on the floor were voted on by the GSR's as follows:

Motion 003-2018- 4-0-0 Motion passes

Motion 004-2018 Motion rendered Moot as a previous motion was passed not allowing revisions to be made to any new adaptations to policy for at least 1 year.

Motion 005-2018 Motion rendered Moot as we have adopted a new policy that clearly outlines clean time requirements for all positions.

Motion 006-2018 Motion rendered Moot as our newly adopted policy already uses Roberts Rules of Order.

1/12/19

I do have to start out but owning my lack of Respalities. I thought I had put in my literature order before I went to Washington, So I didn't think about it until last week when I thought I hadn't received my shipment. So I called the RSO office and they informed that they did not rec. a order this month from Nature Coast Area. So I put an order but it won't be in until next week so if you give me all your numbers I will either get to the home groups ~~or~~ meet you (the Chain person)

Next month I will have a complete report
