

Pay It Forward ⇨ ⇨ *Travel Forward* ⇨ ⇨

Fundraising can be tedious at best, but with The Travel Bug it's easy!

We'd like to donate to your non-profit organization. For every person you refer to us who books and pays in full for their land or cruise vacation (*\$1000 minimum*), we will donate to your organization.

You must be a tax exempt organization in order for us to donate to your cause. Examples of those we can help are local churches and synagogues, local P.B.A., local volunteer fire and first aid departments, local units of major charity organizations, school and university scholarship programs, local animal shelters, pretty much any organization that meets the tax exempt status.

Give us a call and let us know who to contact. We prefer to meet in person to go over the details.
