## NOTES

### Passing the torch

Take a moment the next time you see her and thank Kellie Schauer for being our secretary for 6 years now. She joined the DDA 2001 and was secretary for both Mike Hadley and myself. All your emails and scores, as well as a million other "behind the scenes" things come from her generous donation of time to the DDA. But all things must end, and Kellie is stepping down to do some other things. Melissa Mooney has volunteered to take over starting with the fall season, so "Welcome!" to her. We are also pleased to have Shane Rachelson take over the DDA Facebook page where he plans to expand content.

### An update on Electronic Scoring

The popular DartConnect program is still evolving to add more games and enhanced league features - so we are going to give them time to finish and let scoring on a tablet be optional for the fall season. You can use your tablet (minimum 10" screen please), but you'll have to record the results on the traditional score sheets from the packet.

This system is simple and really helps people who aren't comfortable with using the chalkboard. Editor's Note: Inexpensive tablets w/ WiFi are available at MicroCenter in Cincinnati (near IKEA) for as low as \$80 (Azpen 1040 tablet).

### July 30th at Mulvaney's - \$300+ LOTD

Easy to find at 560 N. Broad St. in Fairborn! Drink specials, special rates at the motel next door - looks to be a big one! There's a poster with details on the DDA website. \$10. entry. Over 21 to play. Sign-ups start at 7:00 / play at 8:00.
