

His Blood

Take them back to the beginning when man 1st sinned and in order for there to be a right relationship with ME, there needed to be something – someone pure to shed their blood for their sin so that I could once again have a relationship with man. All I have ever wanted is a relationship with My creation. It's because I AM True, Just, and Holy that I cannot commune and be intimate with anything that isn't washed clean by pure blood. It is blood that brings power and life and it is blood that poured out in My Son's death for all of mankind to be able to have a greater chance. It is because He took the curses of the world for all of time that He had to suffer once and for all on a tree.

His blood poured out...for all of my creation to have a chance to be redeemed because I don't want anyone to perish – because I made hell for that old devil Lucifer and the angels he deluded – not for man – not for My creation. I want all to come to Me because they want to, because they see that all that they will ever need in this life and the one to come starts and ends with Me.

His blood overcomes! The power of the blood that My Son shed on that tree is STILL breaking down hard hearts today! No one can prove Me wrong – no one can stand against Truth. I Am Truth and this blood was True blood, undefiled blood and it's STILL POWERFUL.

His blood is what cleanses My people, all of those who come to Me – all who seek forgiveness from their sin - all of those who believe in Me – ALL of them are washed clean by this supernatural forever event – My Son did that!

His blood is My love – poured out. Be My love poured out. Love today, love tomorrow – for as long as you have breath and I sustain you on this earth, love, because I FIRST loved you!

Take these people I put in your path and love them and show them Who I Am through the gifts I've given you and allow ME to do the work as you remain a vessel – a vessel that has My Son and My Gift of Holy Spirit operating as soon as they say I believe!!!! I will show Myself to anyone Who seeks Me. I will pour out My love, the supernatural BLOOD of My Son – through Faith – not works, so that no one is deceived in their striving.

Yes, the Blood will never lose its power! My Son Jesus Christ did that – and He is alive and well and Holy Spirit is living and burning in the hearts of man and desiring to overcome the evil of this world and Jesus will come back for ALL OF HIS PEOPLE – His blood still does that – is still doing that – and will forever be the most powerful Love poured out you will ever need. Open your heart and let Me pour out of you all that I have planned – allow Me to flow.... Love... love.... Love....

The blood of Jesus.... My Son.....The One and Only Way to Me..... Your Eternal Father.
