

Ponchatoula High School Band Boosters, Inc.

Ladies and Gentlemen,

Ponchatoula High School's Green Wave Band and Color Guard has become one of the most distinguished and recognized high school marching bands in Tangipahoa Parish. Each year, the Green Wave Band marches and competes in various contests, parades and sporting events. The Green Wave Band is also one of the largest student organizations in the Tangipahoa Parish School System and one of the most successful at Ponchatoula High! With approximately 100 students performing this fall and the future Green Wave Band members from Ponchatoula Junior High – the Green Wave Band and its Booster organization is a far reaching group.

Due to their overwhelming success, the Green Wave Band and Color Guard is projected to grow in numbers over the next several years. The Green Wave Band is primarily funded by student family contributions (fees) and donations from the Ponchatoula Band Boosters (PBB.) Each year, PBB provides over \$10,000.00 to the band to fund new instruments, music, uniforms, and other band related expenses. We would like to take this opportunity to solicit sponsors to ensure another successful band program at Ponchatoula High School this year.

We offer several levels of sponsorship opportunities to fit the exposure and budgets of all levels of individuals and businesses. Please take a look at our sponsor levels (attached) and consider supporting our Ponchatoula High School Green Wave Band. PBB is a 501(c)(3) non-profit organization and a receipt can be provided upon request for your tax-deductible donation. If you are unable to commit to any of these sponsorship levels, please consider making a smaller gift. It is our goal that every student that desires to play in The Green Wave Band be given that opportunity. Your generosity will ensure that will happen. If you have any questions or would like to schedule an appointment to meet, please do not hesitate to contact me directly.

Thank you to last year's sponsors! We appreciate your support of our Band and Color Guard Programs!

Sincerely,

Stacy Fitzgerald
