## PRESIDENTS MESSAGE

---

*Our first water test was a success, and would like to thank those who put it together, worked the day to help, and congratulate all those who qualified for a certificate. We hope to continue with this event yearly.*

*We had our August specialty in Keene, and again, would like to thank all those that made it happen so smoothly. As usual Pat's trophies were beautiful and Pauline's raffle had some very nice and unique items for all.*

*Our judge was very pleasant and awarded some of our members as you will see in our brags. Congratulations to all those winners also. Many thanks to both judges for being so kind and considerate to all exhibitors.*

*Hope to see you all at our September hunt tests coming up. The weather is finally cooling down and hunting season is around the bend.*

*Deb*

## MINUTES OF THE MEETING

---

A meeting of the Katahdin German Shorthaired Pointer Club of Greater Portland was held on Sunday August 7, 2011 at Wheelock Park, Keene, NH . In attendance were Deb Broad, Steve Marcq, Pauline MARcq and Pat Russell. The meeting commenced at .4pm

President's Report: The minutes were accepted as printed in the last newsletter. Deb noted that we had a wonderful Specialty, with our own Meg Borden taking Winners Bitch and Best of Winners.

Secretary's Report: Pat reported a request from the AKC to point new owners of GSPs in our area to Katahdin. That's great - we welcome new members!

Treasurer's Report: The Treasurer reported on current finances. All expenses are paid, including insurance.

Election of New Members: No new member applications Show Committee: Good turnout at Cheshire - fabulous raffle and food table. Many, many thanks to Steve, Pauline and Meg for making it such a great event. Carmen Paludi did a lovely job of judging sweeps for puppies and veterans. Congrats to all the club members for their wins, and especially to Meg Borden, who finished her girl Moxie over the weekend with two 4 point majors and to Deb Broad for Boomer getting a SEL toward his Grand Championship.

Hunt Test Committee: Our Hunt Test is scheduled for September 17 and 18. Judges have been finalized and we have AKC approval - lets hope for a cool day with alittle breeze.

Water Test: A separate article will be written about the water test. For our first effort, we did really well, and certainly learned some areas where we could improve. There were 24 entries - including a group who drove from Saratoga Springs, NY with some great dogs. It's a lot harder than it may first appear. Thanks to all the club members who volunteered to make it such a success. Thanks to Lou and Dave Trahan for being our judges.

Training Committee: Tabled

Club Championship Committee: tabled

Rescue Committee: Tabled

Old Business: none

New Business:

Do we want to set up the club on Facebook?

The next meeting will be held following the Saturday Hunt Test. The meeting was adjourned at 4:30pm

Respectfully submitted

Pat Russell, Secretary

## WATER TEST REPORT

The water test held in July was a great success. It was a perfect hot summer weekend, perfect for water work. There were 24 entry's which included two "do overs", one in NRD & one in RDX. There were two breeds other than gsp's there, an English pointer & a Vizsla. I got to talk to some of the entrants and some were humbled by the test, hey, any shorthair can retrieve cant it? And some, if not all of us have a huge respect for the canines that can perform in the higher levels. All levels need some kind of training, even the novice dog handlers realized that the dog may or may not get the duck, and then, may or may not bring it back to you! This was our first water test, so there were some glitches, and changes will be made for next year, and our amount of entry's surpassed the NY tests! Nevertheless, it was fun for all, those who succeeded, and those that did not, and even those who came to watch, can't wait until next year to compete!

The following teams passed

### Novice Retrieving Dog (NRD) Passes (10 entries)

Timber, owned by Frank Fowler and Cassandra Tompkins

Morey, owned by Pat Russell

Hawk, owned by Louise Shaw and Fred Doctoroff

Max, owned by Louise Shaw and Fred Doctoroff

Blitzen, owned by Evan and Linda Hendricks

Kibo, owned by Tom Casey

Squeeze, owned by Kathy Duffy

### Retrieving Dog (RD) Passes (7 entries)

Timber, owned by Frank Fowler and Cassandra Tompkins

Jack, owned by Leon and Regina Hairie

### Retrieving Dog Excellant (7 entries) no passes

This test WOULD NOT have been possible without the help of Linda & Joe Mscisz. They had all the water test knowledge, and had the huge task of obtaining the ducks and caring for them over the weekend. The following people helped out as well, and a huge thank you to you all, Frank Fowler, Manny & Stephanie Gutierrez, Pauline and Steve Marcq, Louise Shaw, Fred Doctoroff, Jeremy and Sandra Thompson, Pat Russell, & Megan Borden. And of course our judges Dave Trahan and Lou Gagnon.

What a great way to show the versatility of our fabulous shorthairs, spending time with great people, and enjoying a wonderful summer weekend, I cant wait until next year, and I bet it will be even bigger & better!

Cassandra Tompkins

### UPDATE ON PERFORMANCE EVENTS

Doug Ljungren, AKC Staff, participated in this portion of the meeting via video conference.

German Shorthaired Pointers, German Wirehaired Pointers, Vizslas and Weimaraners -- Eligibility for Retriever Hunting Tests.

The Board reviewed a request made by the respective parent clubs to allow the German Shorthaired Pointer, German Wirehaired Pointer, Vizsla and Weimaraner to enter the Retriever Hunting Test. These breeds are currently eligible to participate in the Pointing Breed Hunting Test. These breeds were developed as all-around hunting dogs, hunting both upland birds and waterfowl. The inclusion in a second test will allow for a much more complete testing of their versatile hunting abilities. If approved, they will be the fifth, sixth, seventh and eighth breeds to "cross-over" into a second hunting test program. Titles earned by these breeds in Retriever Hunting Tests will be designated with an "R" to differentiate the title from those earned in Pointing Breed Hunting Tests (example: JHR). This will be discussed further at the August meeting.
