Kids Night Out is back beginning Friday, September 13th! Kids Night Out is a fantastic way for kids ages 5 and up to spend time with friends, old and new, in a safe, fun, creative environment. It's also a wonderful opportunity for parents to take a couple hours to explore Main Street or just relax at home knowing their kids are well taken care of, having fun and creating!

Kids Night Out events will be taught by a Certified Elementary Education teacher so you can be assured your kiddos are in good hands. Class will be held in our special event room—separate from the main floor of the studio. Each session will have a specified project and a light snack will be served.
