

Position Description:

Mental Health Resource Center, a comprehensive mental health center and Joint Commission accredited organization, is seeking a **Peer Specialist** to join Adult Florida Assertive Community Treatment (FACT) program in the **Tampa** area.

The FACT Program is a multi-disciplinary, clinical team which assumes responsibility for directly providing needed treatment, rehabilitation and support services to adult persons with severe and persistent mental illness promoting recovery, empowerment, self-determination and decision-making for each FACT participant.

The FACT Peer Specialist has personal, practical knowledge and experiences as a recipient of mental health services and is willing to share these for the benefit of the team and the persons served by the FACT team. Provides needed peer counseling, wellness recovery, and support services to individuals served by the FACT Program in order to reduce or eliminate the need for hospitalization and to enhance their independence, autonomy and quality of life. Promotes recovery, empowerment, self-determination and decision-making for each FACT participant.

Some of the responsibilities of the FACT team include providing clinical and supportive services through advocacy, crisis intervention, assessments, evaluations, treatment planning, case management and medication management. Participants are also provided with community referrals, symptom education, work-related vocational and educational services, social and interpersonal relationship training, and support for the participants' families and care givers.

Most of a FACT team member's day is spent in the community completing many of the above duties. Only about 15% of their time is spent in the office. Company vehicles are available, however members of the FACT team also need to use their personal vehicles to provide services.

The FACT team operates beyond normal business hours, rotates holiday and weekend responsibilities, and rotates an emergency on-call cell phone.

The Mental Health Resource Center manages 9 out of the 32 FACT programs in the state of Florida: Rockledge/Brevard, Tampa, Naples, Clearwater, Kissimmee, Winter Haven, Gainesville and two teams in Jacksonville.

Some of the responsibilities of the FACT Peer Specialist position include but are not limited to:

- Assist persons in the development of their own plans of growth and development. i.e. utilizing the Wellness Recovery Action Planning (WRAP).
- Provides peer counseling, wellness recovery, and support services as assigned.
- Provides direct services to persons served by the program on an individual, group and family basis.
- Participates in daily organizational meetings.
- Advocates for persons served by the program to ensure acquisition of necessary social services to include activities of daily living, including medical, dental, legal, housing, and entitlements and monitors and evaluates the effectiveness of the service and the person's satisfaction.
- Actively identify and support linkages to community resources and trainings: educational, vocational, social, cultural, mutual self- help groups, etc., that supports the person's chosen goals and interests.
- Provides side-by-side assistance to persons served in all aspects of daily living (i.e., assist with housekeeping, budgeting, grocery shopping, etc.).

- Provides services to increase an individual's social and interpersonal activities (i.e. supportive therapy, social skills development, side-by-side coaching, planning social/leisure time activities, trauma informed care).
- Monitors and documents an individual's progress upon each visit and where necessary, updates or reassesses the recovery plan in order to better assist the person served to accomplish their recovery goals. Identify individuals and their family's needs, and communicate those that are identified and their needs to the program director and provide written referrals for community resources.
- Assist individuals served to develop problem-solving skills so that they can respond to challenges that may arise in their recovery process.
- Assist individuals in organizing their time to keep appointments as well as other scheduled contacts with specific services providers.
- Promote the development of self-efficacy through role-modeling strength-based recovery.
