ADVISORY

The following rules and regulations have been adopted by the Oak Hollow Board of Directors to help promote harmony in communal living. Because Oak Hollow is a DEED RESTRICTED community, the Association has an obligation to all homeowners and members to enforce the Association Rules. Should you have any questions regarding any of the following items, please consult with either the Property Manager or the Board of Directors. Let's all help in keeping Oak Hollow an attractive place to live and maintain the value of our homes.

Generally speaking, any time a resident wishes to change the appearance of his home, a site plan is required to be filed with the property manager's office. In cases where the rules ask for the submission of an Environmental Committee Site Plan, please note that one is available from the Property Management Office located in the Oak Hollow Clubhouse.

Noncompliance with these rules is considered to be a violation of them. A notice of violation will be mailed to the owner, and fourteen (14) days will be allowed to correct the violation. Failure to correct a violation within fourteen (14) days will result in a meeting of the Board of Directors to review the violation and set a daily fine amount. The owner will be notified of a Fining Hearing that will take place at least fourteen (14) days after the Board of Directors meet. At this Fining Hearing the Fining Committee will vote to either (A) uphold the fine set by the Board of Directors, or (B) reduce the fine to \$0, in accordance with the procedures in the Florida State Statutes.

NOTE 1: No lot, with or without a home shall be allowed to become or to remain overgrown and unsightly. **(Article VIII, Section 7)**

NOTE 2: Residents may wish to contact Charlotte County Waste Management (941) 629-1106 if a bulk pickup is required. Residents are allowed two (2) pickups annually between October 1st and September 30th.

Note 3: Charlotte County Waste Management (941) 629-1106 collects all garbage, waste material and recyclable materials on a routine basis.

NOTE: Any deviation from these Rules and Regulations may only be made by the Board of Directors and shall only be made under exceptional circumstances for a short period of time in order to avoid undue hardship. Creation of one exception shall not be a waiver of the ability to enforce this provision in the future.

MANAGER AND STAFF ARE AUTHORIZED AND REQUIRED BY THE BOARD OF DIRECTORS TO STRICTLY ENFORCE THESE RULES.

FINES:

The fines shall be in the amount deemed necessary by the Board to deter future violations. Each day a violation continues shall be considered a separate violation and a fine may be levied based on each day of a continuing violation with a single notice and opportunity for hearing up to an aggregate of One Thousand (\$1,000.00) dollars or the maximum permitted by law.
