John 3:16

**"For God so loved the world, that he gave his only begotten Son,
and whoever believes in Him will not perish but have everlasting life"**

Chaplain's Message

Father's Day

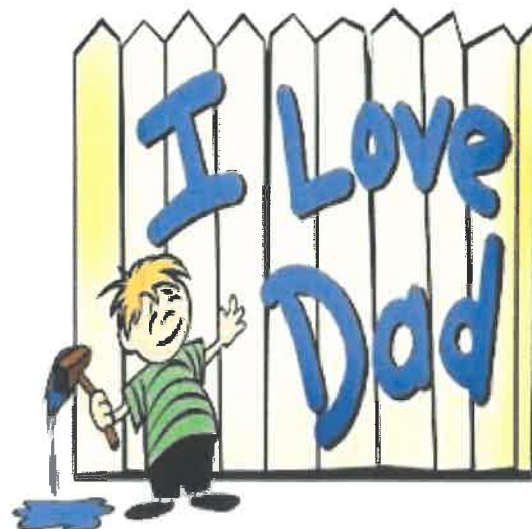

I hope you had a special Memorial Day weekend, stopping to remember those who paid the ultimate sacrifice for our country. We thank God for those men and women who gave their all for the freedoms we personally enjoy because of their sacrifice. We must continue to pray for the religious freedom that our country was founded on, that we may continue to worship and share our faith as our God would have us to do.

Many of us remember our fathers who have gone on before us. Our fathers paid tremendously to help us have good lives. They encouraged us in the direction we took in life, the schools we went to, and the values that we now call our own. Those of us who are fathers, I guess that would be you and me if we have children, have not finished with the influence and financial training yet.

Our Father in heaven, Holy is your name. May your Godly influence help us as we try to serve you and our families as well.

•Our fathers weren't perfect and we have been less than heavenly to those around us, but aren't we thankful that we can learn from our Heavenly Father who is perfect. Our responsibility is to have a godly influence through His perfection on those with whom we have been entrusted.

President's Message

From the President's Desk!

The Christian Classic Cruisers Club and Club trailer were very busy during the month of May. May 6th the Club worked the StreetSide Classics Car Show with TK Kinnan as the coordinator.

May 7th Christian Classic Cruisers Club and Club trailer were off to the Arlington Street Rods Car Show with Bobby Stout as coordinator.

May 18th and it's time to get the Club trailer for the next event. The Club trailer is in a secured storage unit in Colleyville. It's 10:30 pm in the evening Cheryl and I were hooking up to the trailer when two Colleyville Police Officers patrolling the area stop to investigate. After assuring them we were not thieves they let us go. Much appreciation to the Men and Women in Blue for doing their job.

Then Bobby Stout and the Club trailer were off to the R Ranch on Friday evening, May 19th and Saturday morning May 20th to TMS for the Lone Star Corvette Car Show. Thanks to all the Christian Classic Cruisers Club members who went early for set-up and to those who came later to help with the tear down and getting the Club trailer back to Birdville ISD for the Christian Classic Cruisers Car Show at 5:00 pm.

After listening to a rainy forecast all week, Mother Nature gave the May 20th Car Show a nice sun shiny day. Our theme was "Honoring our Military Heroes" with 218 cars and 29 veterans with their cars. The oldest veteran at the car show was 94. The Christian Classic Cruiser Car Club gave a "Big Thanks to all Veterans".

The May Car Show had two sponsors; Curtis Dorsey with American Air Masters and Steve Howard with Bob's Automotive Repair. They made a great tag team while presenting all the winners with plaques at the Awards Ceremony.

A Big May 60th Happy Birthday to our 1st Vice-President, Terry Muno and a Big May 80th Happy Birthday to our oldest Club member, Gary Veach.

The June Car Show theme will be "Father's Day" and the Car Show sponsor will be Keller Trophy & Awards.

WOW, what a fantastic car show for May! We had lots of cars, lots of people enjoying the cars, music and atmosphere and buying our cool T-Shirts! Speaking of which, we sold 45 T's Saturday, 20 Pink, 10 Gray, 10 White and 5 Blue. We would have sold more Blue, but all we had was 8. All that is left is 3 Mediums, which I will bring to the meeting to sell.

We also had 2 members renew their membership at the show, Bill Newland and Van Easley! It was nice to have you at the show.

Club Shirts, I will be taking orders for the club shirts at the meeting. If you cannot make the meeting, please give me a call or shoot me an email as to what size and style you would like. The cost of the club shirts has not changed from the 2013 catalog of \$52- \$60 with embroidery. I will have the catalogs at the meeting for your review.

See you at the June meeting!

We currently have 61 memberships and 107 members.

This Month in History

June 5, 1783 - The first sustained flight occurred as a hot-air balloon was launched at Annonay, France, by brothers Joseph and Jacques Montgolfier. Their 33-foot-diameter globe aerostatique ascended about 6,000 feet. In September, they repeated the experiment for King Louis XVI, using a sheep, rooster and duck as the balloon's passengers.

Birthdays - American patriot Nathan Hale (1755-1776) was born in Coventry, Connecticut. During the [American Revolution](#), he volunteered for a dangerous spy mission in Long Island and was captured by the British on the night of September 21, 1776. Brought before British General William Howe, Hale admitted he was an American officer. Howe ordered him to be hanged the following morning. As Hale mounted the gallows he uttered, "I only regret that I have but one life to lose for my country."

June 10, 1652 - In Massachusetts, silversmith John Hull opened the first mint in America, in defiance of English colonial law. The first coin issued was the Pine Tree Shilling, designed by Hull.

Birthdays - American musician Mildred J. Hill (1859-1916) was born in Louisville, Kentucky. She composed the melody for what is now the world's most often sung song, *Happy Birthday to You*.

Special Report From Bobby Stout

Lone Star Corvette Club Classic Car Show - a BIG THANK YOU to everyone that helped out at Texas Motor Speedway on the 20th of May. It was a GREAT day, and as Carolyn once told me but after we had been married for almost forty years..."I have never seen a Corvette that I did not like, and yes, there are some that I like more, but I like ALL of them." Guess that is why we have had Mustangs in our garages since 1968...OH well, I tired. Again, thank you to everyone that came out and if you did not, you missed a really cool car show - nothing but Corvettes under the Front Straight grandstands from end to end.

NSRA - Mid-America Nationals - Wonderful trip to beautiful Springfield, MO. Started out Sunday with a side trip to the Beaver's Bend Car Show in Broken Bow, Oklahoma. We did not make the car show (just too tired from Friday and Saturday's CCC activities), but did make lunch in Broken Bow at a five-star rated (reviewed) Italian restaurant. Travelled on to southern Missouri. Our plans were to spend the week in Branson in preparation of the NSRA Mid-America Nationals in Springfield, MO before Memorial Day. Planned to do a few shows in Branson. Had lunch at Lambert's (Home of the Thrown Rolls) in Ozark on Monday. Carolyn spent the week roaming the shopping areas of Branson, but no theatre shows. I missed most all of the week, as I had a crisis in the office and flew back on Tuesday night and returned to Springfield on Friday night. Dinner on Friday with long-time friends and then the traditional drive through the National Cemetery. Established in 1867 as a place to inter only Civil War Confederate soldiers, many of whom died at the Battle of Wilson Creek. It has since been expanded and opened to all veterans. Springfield National Cemetery now has the interred remains of soldiers from wars dating back to the Revolutionary War.. We began the day Saturday enjoying the absolutely beautiful weather, friends, a bag of kettle corn, and the cars and trucks on the Ozark Empire Fair Grounds. Visited both the Vendor and Women's World areas. Did my thing in the STREETSCENE booth for a couple of hours at noon. Then the fun began... The weatherman was predicting baseball to grapefruit size hail for the early evening hours. Praise the Lord, the large hail never came to Springfield. There was a tornado on the ground in Lebanon (25 miles NE of Springfield). We had scouted out the parking garages downtown on Friday night, so that we would have an emergency plan. Well, we took a parking place on the second floor of a parking garage just before 3:00 p.m. and we stayed there until after 10:00 p.m. before driving very slowly back down to Branson (the storm was still in Branson). By the grace of God and stopping to check radar frequently, we avoided any damage to the vehicle. We were weary from sitting in a beautiful, picturesque parking garage for over seven hours at one of the downtown Missouri State University buildings. We ate tuna salad and crackers and then later in the evening, we had crackers with tuna salad.

Sunday morning brought blue skies and sunshine and the road home. We travelled the scenic route through Shepard of the Hills, Table Rock Lake, Eureka Springs, and Rogers, AR, all before we shifted out of low gear (translation...we were not in a hurry and took our time). We were happy to get home before midnight and very thankful for a garage in which to park our car. But I will assure you that we are both looking forward to the trip next year on May 24-27, 2018!! ...will you plan to go with us?? For more information about this year's event, please contact Wayne Klopfenstein, as he was in Springfield, and may have more interesting stories to tell...just saying!! 😊

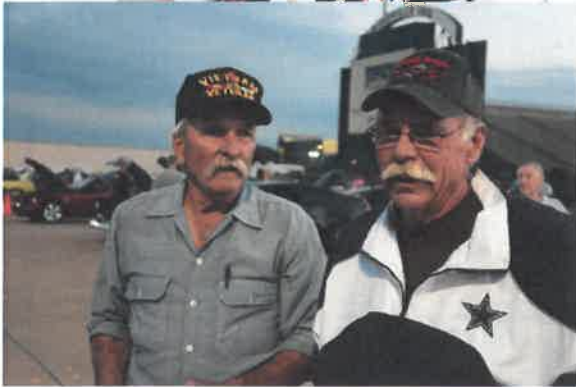

Lone Star Street Rod Association State Run in Granbury, TX - begins Friday June 9th and ends after church and the awards on Sunday, June 11th. Come down for the weekend, for a day, or even for just a few hours.

NSRA Nationals, Louisville, KY - activities begin on Tuesday evening August 1st and Awards will be on Sunday afternoon, August 6th. Are you planning to go to Louisville?? Contact: Bobby Stout

ARE YOU GOING TO BOERNE October 12-15, 2017?? Yes, it is well past planning time. The hotel wants to know if you are coming to Boerne on Thursday for the private CCC Car Show for the Wounded Warriors at the San Antonio hospital and for the Key to the Hills Rod Run on the weekend. Please notify Bobby Stout via email if you are planning to go and want a room.

Recipe Corner

Here's something new for the ladies. Anyone who would like to contribute is welcome to do so. They can be your own creations, a family recipe or one you found in a magazine, online, etc.. Email me at CCCruisersnews@gmail.com.

Ingredients

- 4 center-cut bacon slices
- 3 tablespoons canola mayonnaise
- 1 teaspoon Dijon mustard
- 8 (1-ounce) slices whole-grain or whole-wheat bread
- 8 ounces unsalted sliced deli turkey (such as Boar's Head)
- 8 (1/8-inch-thick) slices tart apple (such as Granny Smith)
- 4 (1-ounce) slices reduced-fat colby-Jack cheese
- Cooking spray

How to Make It

1. Preheat a waffle iron with 4 compartments to HIGH.
2. Place a paper towel on a microwave-safe plate. Arrange bacon on paper towel; cover with an additional paper towel. Microwave bacon at HIGH for 4 minutes or until done.
3. Combine mayonnaise and mustard in a small bowl. Spread about 1 1/4 teaspoons mayonnaise mixture over each bread slice. Divide bacon, turkey, apple slices, and cheese evenly among 4 bread slices; top with remaining bread slices, spread side down. Lightly coat both sides of sandwiches with cooking spray. Place 1 sandwich in each compartment of waffle iron; close waffle iron firmly on sandwiches. Place a heavy skillet on top of waffle iron to help flatten sandwiches evenly. Cook 3 to 4 minutes or until golden brown and cheese melts.
