President's Message

The end of the Summer season is just about here, but there are plenty of car activities going on.

I would like to thank everyone for all their hard work to make our picnic a success..

As I announced at the picnic I have stepped back from being President for now and the Vice President Arlene has stepped in. She has been doing a great job for the last couple of months, please continue to give her your full support. I am also happy to see how many people are taking on the jobs that Joanne used to handle. We have a great club and I appreciate how we pull together in our toughest times

Thanks

Pat LeStrange

Vice President's Message

It's almost September and I cannot believe it, the summer is going by way to fast. It has been a rough summer, very hot, humid and rainy. A lot of cruise nights were cancelled. Hopefully September will be a better month for cruise nights and car shows. Get the birds out when you can.

Labor Day weekend is in another week. We have two big car shows going on that weekend starting on Thursday, September 2nd to Monday, September 6th (Labor Day). One show is Dead Man's Curve, Mahwah, NJ and Lead East, Parsippany, NJ. Whichever one you go to have fun and be safe. Big crowds, wear your mask to be on the safe side.

Sad news, Mel Ramos's brother was killed in a car accident in Virginia Beach. Va. Mel we are sorry for your loss, prayers to you and your family. May your brother Rest In Peace.

Marianne Denning is feeling better. Lucille is going through physical therapy for her shoulder after her fall. George Gayett is coming along after his fall. Hope everyone else is doing good.

Rich and Lois's grandson, Joey left Wednesday for the Air Force. Right now he is in Texas and will start Boot Camp. Good Luck. Congratulations Mike Meehan and Kari, they are getting married September 18th. Donna and Bill Jesse's daughter, Vickie will also be getting married on September 18th. Congratulations to the happy couples.

We had our annual picnic on August 8th. It probably the best day of the summer weather wise. Thank you Jackie Werner for chairing this event. Also thank you Bill Downing for helping Jackie run the picnic. We had a great turn out of members and their mates. We had a man's baking contest. 1st prize on cake. Mel Ramos. Coconut Cake. 1st prize on cookies. Bill Downing - Chocolate Chip. Thank to all the men who baked. The men won the Trivia contest. Next year we will WIN!!! Thank you ladies for the salads, etc. you made. Everything was delicious. Thanks Rich Iuso for bringing the chicken wings. They were sooo good. A big thank you to our cooks.

Without you guys we wouldn't be able to eat, Mel, Ron Case and Paul Adamoff. Thank you Mike Meehan for supplying the music. Also thank Steve Handy for getting crumb cake, Paul A for bagels, Paul S for coffee and donuts. Mike Parillo for water, Sue Gayett for soda and watermelon. I forgot who picked up the ice, so sorry, but thank you. I also want to thank Joe Kubat for helping me do all the shopping and running around and do whatever I asked him to do.

The Christmas Party is underway, December 4th, 2021 5:00pm. Bella Italia, Orange, NJ

The next meeting will be hosted by Joan and Bob Notar. September 12th, 2021 at 2:00pm, Anthony Franco, Hamburg Turnpike, Wayne, NJ.

Picnic 2021

Another great picnic. It was organized by Jackie and Paul Warner who did a great job getting it together. The early morning weather was a little threatening so not many birds showed up. However, the weather turned out nice. The cooks, Paul A, Mel and Ron did a great job on the burgers, dogs and chicken. Each member brought a salad, desert or other goodie so everyone had a great variety of eats. There was a man's bake off contest and the winner for cookies was Bill Downing and for cakes Mel Ramos. Bill and Martha held their world famous trivia contest, pitting the boys against the girls. For the second year in a row, the boys prevailed. Thanks to the cooks, the others who helped out, Arlene who got all the food and Jackie and Paul Werner

Tech Tip

Distributor Maintenance

The distributor must be lubricated and the best time is when the oil is changed.

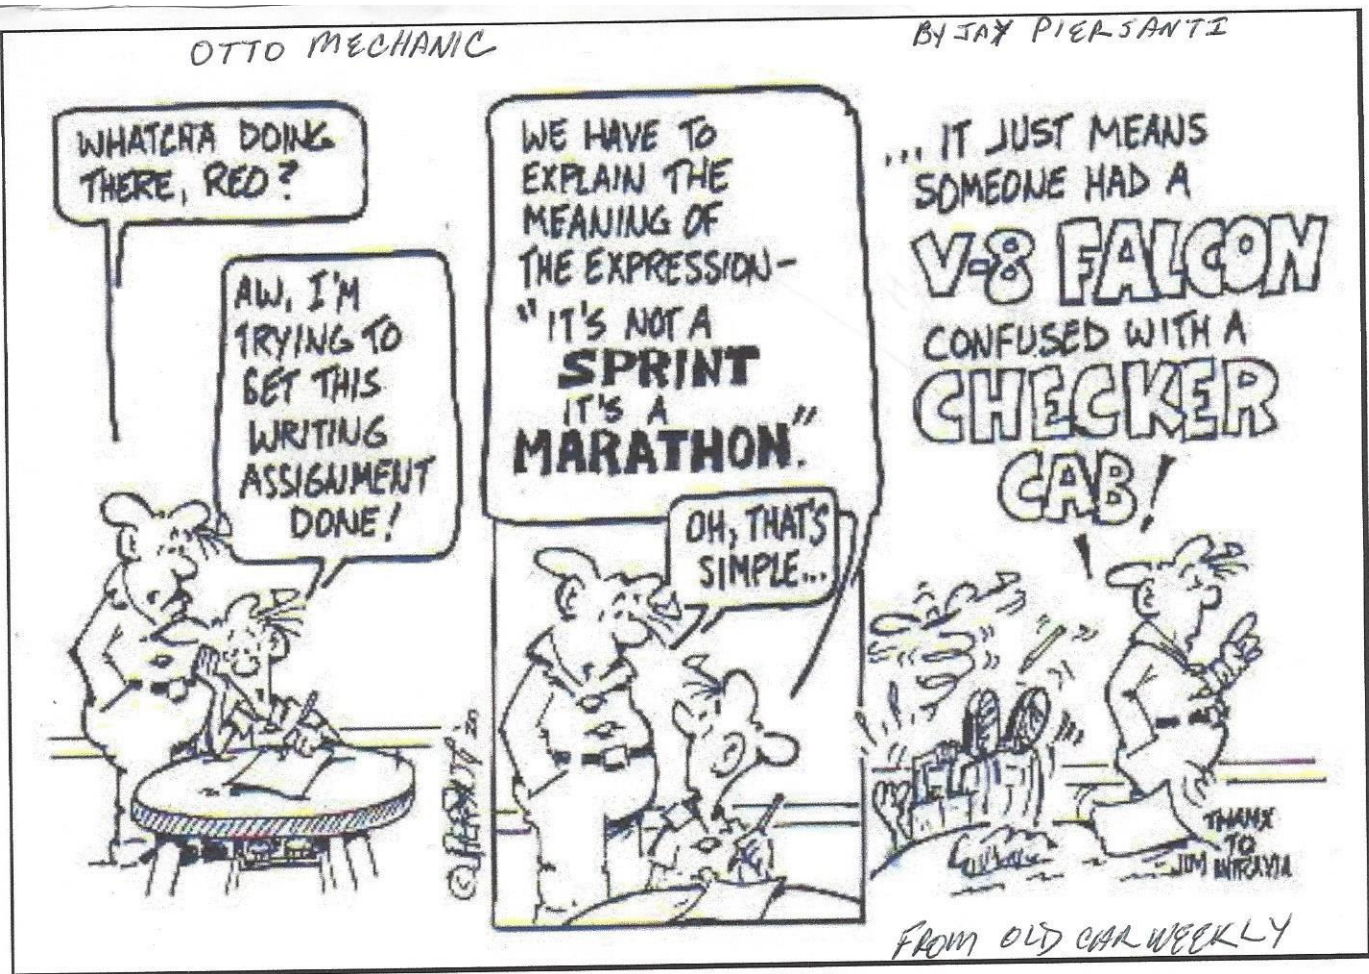

Did you know that there are two places for lubrication?

The first is the one that is very visible, the oil cup on the side

T birds still have a lot of pick up-so says Paul W. (must be the car-Editor)

The other one, not so much. If you take off the rotor, you will see (or should see) a small piece of felt inside the shaft. That should be oiled at the same time. The oiled felt drips on the weights and springs below the plate. Even if you have an electronic conversion like a Pertronix,, the felt piece should be oiled.

Keep Healthy & Safe Use your mask

While mask mandates are somewhat relaxed, they are not all gone because of the Delta variant. They are required in certain places. And if you're one of those people that think the vaccine is a hoax, then you should still wear a mask so you won't infect the like minded others when you come down with Covid 19. Over 97 percent of new cases (and deaths) are unvaccinated people.
