REMINDER

**2018 Membership
Dues Are Due
January 1st - December 31st
2018**

FROM YOUR EXECUTIVE DIRECTOR
TOM BONES

Welcome to the official start of the Holiday Season of 2017! The Harvest Years has been tree trimming and putting the final pieces in place for all the festivities and December events that we have planned for you!

With the calendar year coming to a close, it also means that it is **Membership Renewal Time**. Your Harvest Years membership registration for 2018 is due by January 1, 2018. Anytime during this month, please fill out and turn in your membership form along with the \$20.00 membership fee by January 1st, to keep your membership current. Don't delay!

If you should know of any other seniors in our area who are not already members, please invite them to join us! As you already know, The Harvest Years has so much to offer for just \$1.67 per month!

Our **Annual Giving Campaign** continues throughout the month of December. Please consider giving generously this year as we never know what types of state budget cuts lie ahead for us. Please continue to ask family members and friends in the community to contribute as well. Every little bit helps in some way to keep our senior center thriving.

A special holiday thank you to all the members who helped this year, before, during and after our Holiday Craft Show both here at the center and off site. A special thank you as well to the ceramic class for all of the items that they made!

We also need to mention the members that contributed so greatly to our Sub Sale in October and our Yard Sale in November. None of these events would be possible without you. Next up is our Soup Sale - more details to follow.

On behalf of the Harvest Years Board of Directors and myself, I would like to wish each of you a very safe and Happy Holiday Season and a Happy New Year too!. May you all enjoy much good health and happiness in 2018!

Activity Notes
by Diane Amoroso

The clocks have been turned back and it now gets darker earlier. We like to keep you safe by celebrating the traditional upcoming holiday parties during the day-time so that you do not have to drive in the dark.

Our Christmas Luncheon will be held on Thursday, December 21st. We invite you to join us in celebrating and enjoying an excellent lunch with live musical entertainment provided by none other than our best friend and Harvest Years' member, Trudy Marie. Trudy has been kind enough to come out of "retirement" to bring back her magnificent voice to entertain us. Gail & John could not be with us due to Gail's illness. We all send our best wishes to her for a fast and lasting recovery. We wish her the best.

Another daytime celebration will be our New Year's Luncheon on Friday, December 29th. Come celebrate 2018 with us and welcome our favorite singer from the days of early Rock 'n Roll, ELVIS.
Let's relive all the oldies for a very enjoyable way to welcome in the new year!!

My Favorite Season of the Year

In 2015, I used the same title as above for my December Legislative Update. I thought I would use it again this year because, well ... Christmas is my favorite season of the year.

There's something special about the precious and memorable family traditions and gatherings at Christmastime and how entire communities come together to share in the spirit of the day. There's something special, too, in the fact that Delawareans of various religions celebrate holidays at this time of year, in addition to Christmas, with Jews observing Hanukkah and Muslims their new year. Also, many people participate in the celebration of African American culture, Kwanza. This adds up to a season of wonder and warmth, bringing out the best in all of us.

One of my favorite memories of Christmas is midnight mass. I grew up in a Catholic family and, like many others, our parish had a special Christmas mass that started at midnight. When I was very young, I had to go to bed at the regular time on Christmas Eve but my mother would wake me up at 11:30 PM. We would then walk to church – it was four houses down the street. I remember having to take two to three steps for each step my father took. It was worth the effort, though, because after mass I got to take a peek at the Christmas tree and go back to bed dreaming about what surprises might lie underneath.

Fast forward one generation. My wife and I established our own Christmas traditions for our own family of momma, papa and our five children. Our Christmas morning tradition is best described by the rules we adopted. Rule one prohibited the children from going near the tree (that means the presents!) until both parents had time to freshen up. Rule two added to that delay by giving mom and pop additional time to brew their morning coffee. Neither one of these rules actually took very much time but to the kids it seemed like an eternity.

After these interminable delays I would take my place by the tree and begin handing out presents. Rule three required all children to watch all the other children open their presents, one by one. More delay.

One year, for reasons I do not recall, my wife and I decided we would suspend rule three and simply hand out the presents as fast as the kids could open them. Needless to say, this resulted in chaos. The following year, rule three was back in effect.

Now, our children have established their own traditions and my wife and I enjoy being part of their celebrations. We also observe or participate in the celebrations of many others here in central Kent County including special church services, holiday caroling and enjoying the lights and sounds of the season.

I will get back to legislative matters in next month's Update but, for now, whatever your family traditions might be, my wife and I wish you a warm and wonderful holiday season!
