

SPECIAL MEETING
GRAND COUNTY WATER CONSERVANCY DISTRICT

March 23, 1972

The meeting was called to order by acting chairman, D. L. Taylor. Also present were directors, Robert R. Norman, Curtis R. Young and Secretary Donald J. Hoffman. Chairman, K. E. McDougald and Director Lester W. Rogers were absent.

Present

Minutes of the meetings held February 17, 19, & 25th 1972 were approved as read.

Minute Approval

Secretary Hoffman reported that Chairman McDougald and himself had submitted a formal application for the construction of the Mill Creek Dam to the Utah Board of Water Resources at their meeting in St. George on March 3, 1972. The next meeting of the board will be in Blanding on March 29, 1972 at 3:30 P.M. The board will stop in Moab for lunch and a tour of the dam site. Bob Morgan will have final cost estimate for the dam at that time.

Application to
Utah Board of
Water Resources

Hoffman also reported on the latest developments of the Pilot Project. The USU Extension Service has committed \$6,000.00 in personnel and soil analysis. Hoffman & Eugene Blakenstaff attended a meeting with the governor regarding the FCRC funding and were assured that the chances of funding were very favorable.

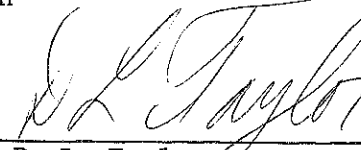

Pilot Project

The following land owners (1/2 acre) plots were picked for the pilot project on the basis of location in the valley and the various soil conditions which they represent.

Bill Chapman
Lyle Davis
Ron Robertson
John Zimmerman
