We enjoyed our stay at your cabin for New Years. The cabin is very peaceful, serene and well maintained. The kitchen is well stocked with dishes. We will be back in the summer time to enjoy more activities.

Overall all it is great! Our 2ns year here! Love the surroundings. Replace blind slats or curtains that close for privacy. The lock on the roll away dropped off.

We love it here! Cozy-PERFECT-relaxing-beautiful. Thanks for the wood, we had a fire 2 days. Family had a wonderful time. Needed a hair dryer and a wall clock. New mattress. I would stay soon. Thanks for everything.

No cork screw, bathroom light was out. Fire pit forks to make smores and hot dogs by the fire. Stronger consistent wifi. Wifi disappeared completely when all cabins were full. College on-line student.
