

1971 MGB for Sale, Asking \$12,000

This 1971 MGB was restored about six years ago and is in great shape. I purchased it from the Classic Dreamcars Museum in Mount Dora about 4 years ago where it had been displayed since the restoration. This MGB comes with a quality paint job, tonneau cover, original jack and tool bag, original owners workshop manual, original working radio, padded dashboard, engine dress package, center armrest, Minilite wheels, new tires, fully synchromesh gearbox with overdrive and a full protective cover. Mileage on the car is about 5K since the restoration, but the odometer shows the total miles since the car was manufactured in 1971.

I have used a service garage on Marco Island, FL to service my MG and if someone is interested they could talk with the garage owner. Just let me know and I will give you their contact information. He specializes in antique car service and restoration. I am in Colorado for the summer, but anyone wanting to see the car can do so in Naples, Florida. Contact me, Doug Davidson the owner, directly at 303-807-1338 or e-mail to dad5280@att.net and I will have a Florida neighbor show the car and arrange for a test drive. I have paperwork on the restoration and receipts for all the improvements and repairs I have done since I bought it.
