## **Mission Statement**

*We provide caring and respectful assistance to people affected by a disaster and/or humanitarian crisis in need of healthcare, housing, or other social services.*

## **Vision and Core Belief**

Everyone deserves an opportunity to gain self-sufficiency and a new normal following a crisis

## **Values**

Our disaster and humanitarian assistance is based on a Christian principal found in Luke 6:31 - *Do to others as you would have them do to you.*
