

# THE STATE SUNBEAMS ARE PREPARING TO DIVE IN!

*Join us at Jacksonville Baptist College  
June 28<sup>th</sup>/29<sup>th</sup>, 2019*

*All Sunbeams and other Children's Groups  
are welcome to attend our Houseparty.*

Our Texas State Sunbeam theme is Dive In! We are going to "dive" into God's word as we explore God's sea creatures and Bible stories. Our Houseparty will be "submerged" under the sea!

Our Sunbeam Divers are preparing for the Dive by praying for Houseparty preparations, inviting their friends, and saving money for our project, WATER FOR CHRIST. We want to help dig a well for a mission field. Counselors are encouraged to help their little divers build a water well bank.

You can find more info on the Sunbeam tab on the State WMA website. We have a fun "Dive In" Sea Creature monthly coloring booklet on our Sunbeam webpage. Please check it out and download booklets for your group.

## Sunbeam 2018-2019 Mission Project

Project Promoters: Diver Abby, Diver Javin,  
Diver Eli & Lead Diver Shawn Norris

Ahoy! Last call for project money!  
Our Project this year is "Water for Christ". This program digs water wells for mission areas that do not have a clean water source. Our goal is \$1,500.

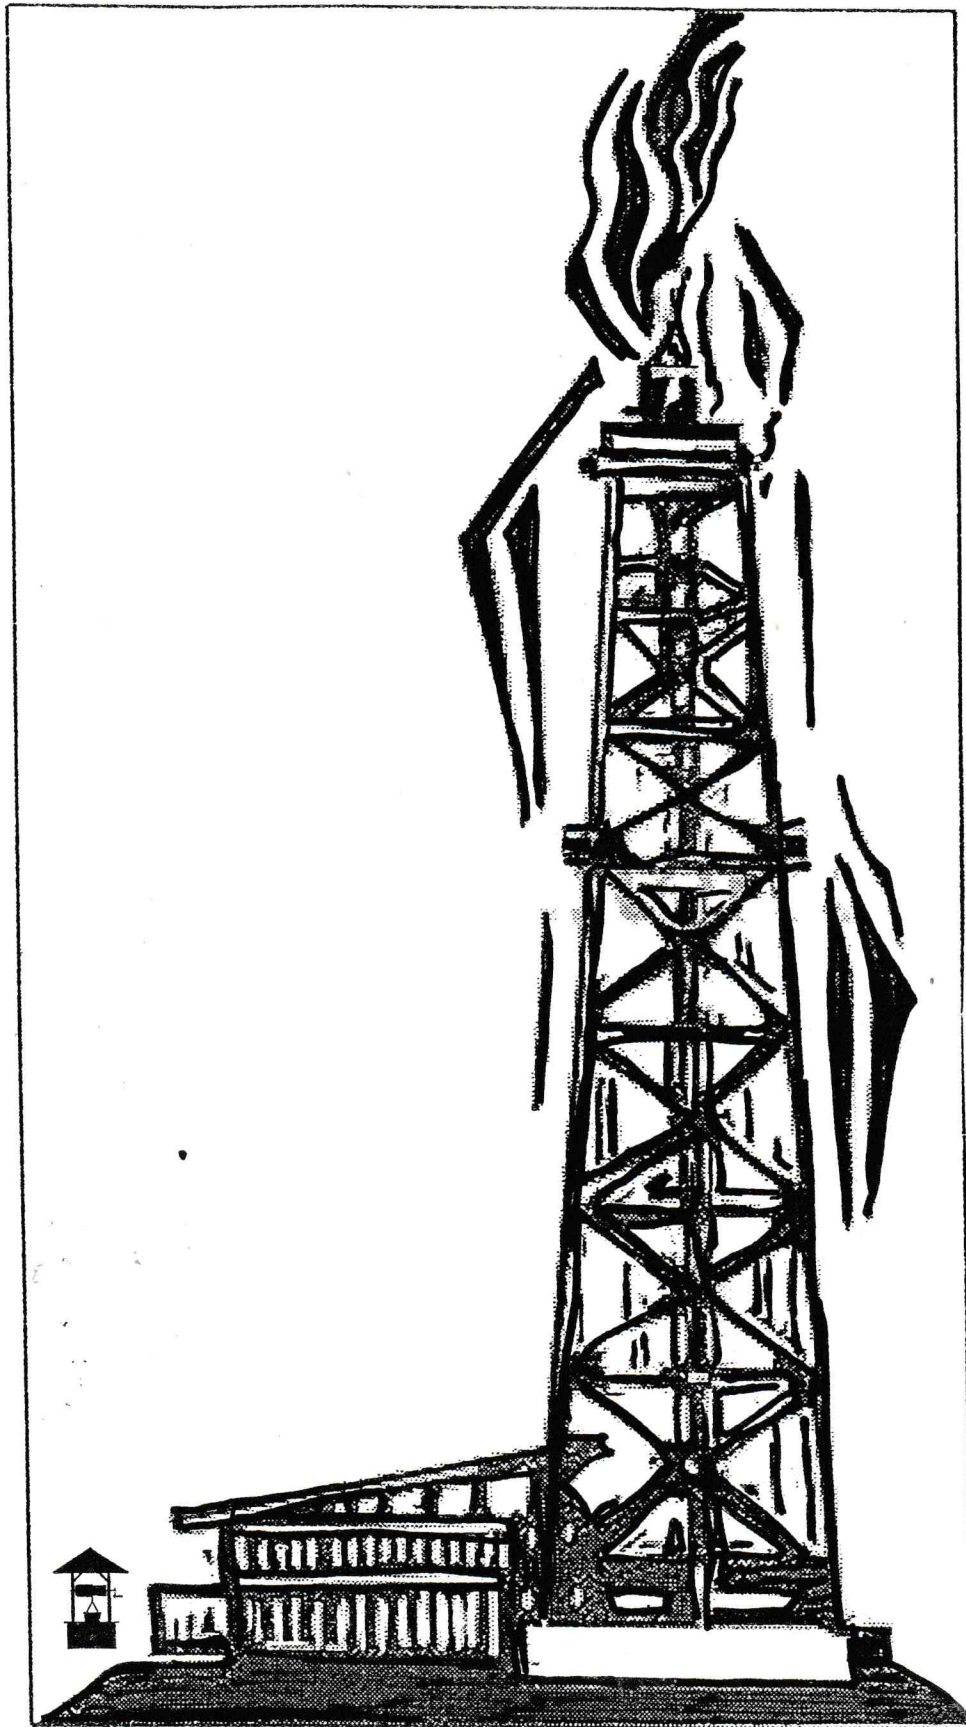

Your Sunbeam group may want make a water well to collect your offerings in. Please bring those water well projects to display at the house party. (You may want to make your group's well out of legos, playdoh, blocks, toilet paper rolls, popsicle sticks, etc.)

Bring all project offerings to our State Sunbeam "Dive In" located at the Jacksonville College "Sub". On land, it is the Student Union Building, but for the State Sunbeams, it will become the Sunbeam Underwater Basin (despressed land area containing water). We will "dive in" to registration at 4:00 pm on Friday, June 28<sup>th</sup>.

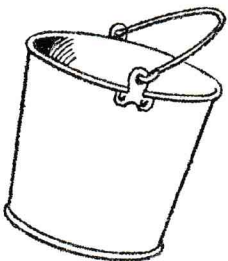

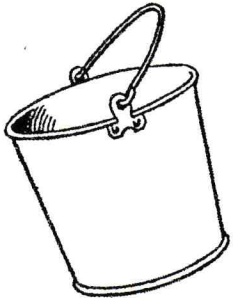

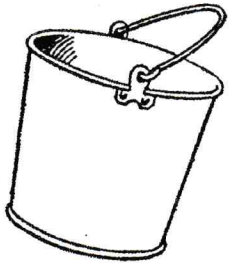

(A color sheet is provided on the back, to record Sunbeam donations.)
