

# ST. ANNE SCHOOL

OUR PARISH SCHOOL • PARISH SCHOOL FOR ST. JOHN NEUMANN & ST. ANNE PARISHES

*Do You Know . . .*

SEPTEMBER | 2018

*... “St. Anne School is Growing in Faith and Wisdom?”*

*St. Anne School opened the 2018-2019 school year with 10 classes (Pre-K to Grade 8), 3 new faculty and staff, 26 Kindergarteners and lots of smiling faces!*

Each year, a theme is chosen for our new school year. This year's theme is “Growing Together in Faith and Wisdom” and, given the historically hot weather the first week or two of school, the students were all given St. Anne School re-useable water bottles emblazoned with the theme. We also had a yummy afternoon treat of Philly pretzels to start the year off right. These both were donated by St. Anne School supporter, TRUE Commercial Real Estate.

We are excited to welcome all of our students back including full classes of Kindergarteners and Preschoolers! We are grateful that these new families have chosen St. Anne School for their child's education and we look forward to a long lasting relationship!

St. Anne also welcomed three new faculty/staff for the new school year. Miss Marina Smith is our new Fifth Grade Homeroom and Junior High Math Teacher. Miss Smith, a Lancaster native and graduate of Lancaster Catholic, is a recent graduate of Penn State University receiving her degree in Middle Level Math Education. She became a teacher because she loves being around children, she loves math and she loves helping children understand math. We are happy she has chosen to share her talent with the students at St. Anne School. Mr. Derrick Burch is our new cook and Mrs. Diana Masterson joins as our cafeteria account manager. Mr. Burch is also a Lancaster native and has operated his own catering business for 30 years – a business he began at 18! He volunteers for various organizations in Lancaster and loves people and helping people. Mrs. Masterson is a native of York and graduated from Shippensburg University with a degree in Education. She is married with a daughter, two granddaughters and a “precious tiny dog, Chico”. We are happy to welcome them and look forward to many tasty lunches in the cafeteria.

*Welcome Back Crusaders – It's “growing” to be a great year!*
