

# Board Year Plan with CMCS

## What you get

- A set of actions for the Board that cover:
  - Incorporation/By-Laws/Policies
  - Organizational positioning
  - Board operation
  - Planning, accountability and performance measurement
  - Quality of services
  - Risk management
  - Legal and financial compliance
  - Membership relations
  - Government relations
  - Partnerships/joint ventures
  - Community relations and development
  - Communication
  - Fundraising
- An explanation of how the plan will be implemented and the results reviewed

## Special features

- Each action states in clear terms exactly what will be done
- Each action identifies who is responsible and when the task will be completed

## How we help

- Provide the planning template
- Facilitate discussion by the Board
- Provide input to the discussion as appropriate
- Record the actions to be undertaken
- Prepare the resulting planning document

## Why a BIG Ideas Board Action Plan is better

- Result is a complete plan (because the Board discusses all issues)
- Actions are clear and measurable
- Includes description of how plan will be implemented
- Attractive, easy-to-read look

## Testimonials

- Nice working with you again Tom. I do see that we are making progress as a Board now that we all have a much better understanding of our role...particularly when it come to the 'Big picture'.* Frank Moore, Community Living South Huron
