

Heritage Distributing LLC

July 23rd, 2018

Dear Valued Heritage Distributing Customer:

Effective August 6th, 2018, we have made the decision to pass along a price increase because of rising material cost at this time. As a valued customer, you know we will adjust prices as we can to help save you money on your homes. We have given price decreases while all other companies were giving price increases. We have no choice at this time but to raise our prices to cover material cost.

We appreciate your business and your support in this matter. We will continue to provide great service and good quality products to you as our customers. We greatly appreciate the opportunity to serve you.

Sincerely,

Jeff Dodd
