

SEK Multi-County Health Departments

Allen, Anderson, Bourbon, and Woodson Counties

5/26/20,

As Governor Kelly's Ad Astra: A Plan to Reopen Kansas framework changes to a recommended guidance document tomorrow, the Local Health Officer of Allen, Anderson, Bourbon and Woodson Counties continues to recommend residents and businesses of these counties follow this guidance document through its entirety. The guidelines that were issued by SEK Multi-County Health Departments will be taken down tomorrow, as it took us through the first phase and now there are less restrictive guidelines in place, as well as other guidance now issued by multiple state boards, KDHE, CDC, etc.

The Local Health Officer urges the public to continue to take appropriate actions, by taking responsibility for themselves and their loved ones. Individuals should continue to practice social distancing, clean/disinfect any high touched surfaces, wash their hands with soap and water routinely, use hand sanitizer if soap and water is not available and **avoid touching your face** (especially eyes, nose & mouth).

Please remember if you have the symptoms to:

Call before going to a Clinic, Hospital, ER, or Health Department

Close contact means: 6 foot or less for 10 minutes or more, with a positive case.

If you are experiencing life threatening symptoms, PLEASE CALL 911.

For more information you may call the SEK Multi-County Health Department: Allen: (620)365-2191 Monday-Thursday 7:00am-5:30pm; Anderson: (785)448-6559 Monday-Thursday 7:00am-5:30pm ; Bourbon: (620)223-4464 Monday-Thursday 7:00am-5:30pm; Woodson (620)625-2484 Monday-Thursday 8:00am-5:00pm OR the COVID-19 Hotline: (866)534-3463.
