Weather: Mostly cloudy, low 80's

Sometimes those unassuming Saturday rounds turn out to be exceptional. Dave Ellis won the front (Net 30), the back (Net 33), the overall (Net 63) and was in every pot except Sandies and that's only because Mike Jeffries holed out from the back bunker on 8 for a double Sandy. That results in a total winning of \$147.30. May not be the highest of all time but we haven't seen a number that high in a while.

But as they say, no good deed goes unpunished. Dave's round is considered an exceptional round. Dave's index going into yesterday was 18.8. The handicap index for his round was 11.2, net difference 7.6.

USGA Handicap Ruling:
If the Score Differential is between 7.0 and 9.9 strokes better, a -1 adjustment is applied to each of the most recent 20 Score Differentials in your scoring record. This has a net impact of reducing the Handicap Index by 1 stroke.

Well if that wasn't exceptional enough, we did have another exceptional moment on the golf coures yesterday. Bob Babetski had an Eagle on #3. 115 yards out with a 9 iron. Congratulations Bob.
