Daniel O' Donnell with Special Guest Mary Duff

Our deluxe motor coach is rolling toward Appleton this morning, arriving at The Machine Shed for a Country Lunch Buffet. Included in our lunch buffet are Dinner Rolls, Old Fashioned Pot Roast, Classic Fried Chicken, Mashed Potatoes with Gravy, Green Bean Casserole, Tossed Salad with Dressing, and the Machine Shed's famous Carrot Cake. Non-alcoholic beverages, taxes and tip are also included.

Following lunch, we head to the Fox Cities Performing Arts Center and relax into our Orchestra seats for the 2:00 show. Daniel O'Donnell's first tryst with success came in 1986 with the release of his album I Need You. Since then, Daniel has enjoyed regular success in the singles as well as the album charts with hits like Follow Your Dream and A Date With Daniel. In total, O'Donnell has reached the UK Artist Albums Chart with almost 40 albums and amassed 33 Top 30 Albums over the course of his career.
