

EL CAJON VALLEY GEM AND MINERAL SOCIETY

Membership Dues: 2026

Hello Fellow Rock and Gem Seekers !

You are very important to the El Cajon Valley Gem & Mineral Society and we need You as a member to help keep our club one of the Great Gem Clubs in the area. We have a lot of wonderful events planned in **2026** and will be doing what we can to help Club Members enjoy the fulfillment of creating works of art from the treasures of this Earth.

We need Your participation! Your input and ideas would really help us to know how the ECVG&MS can work together as one membership to achieve an enjoyable organization.

We really do need Your annual dues submitted for these important reasons:

1. **To cover** the insurance needed for each member, which covers field trips and working in the Club's lapidary shop. Without this coverage, these are not possible. We are one of the most active Field Trip Clubs in the area and want everyone to participate in collection of rocks. Then making stones for gem design and creation. Our Field Trip Leaders are great in assisting in identifying raw material. We also encourage members to share their knowledge.
2. **Membership** in the Federation is a part of our dues. This helps in the fight to keep rock collecting sites open to Rockhounds.
3. **We're** hoping to build our membership and bring speakers who can teach us more about our Gem endeavors.

Please, we really want You to enjoy Your membership and need Your participation. If You have an idea or want to share by teaching, send it to us and let us talk it over. Remember, sometimes the silliest ideas will be exactly what we all need to make it work and be fun.

Membership Dues are as follows:

\$25 for a single member.

\$8 each for each additional family member.
