AUTOMATIC WITHDRAWALS FOR UTILITY PAYMENTS

As the CREDIT/DEBIT AUTHORIZATION FORM states, your utility payment will be automatically withdrawn from your specified account on the 10th of the month for the bill due that month. The bill will actually be mailed to you on the last working day of the preceding month for the bill to be paid on the 10th. If there is a problem with the bill or you wish to stop automatic payment of the bill, you must contact City Hall before the 6th of that month.

If you have any questions concerning these automatic transactions, please call the City Collector at 618-783-8451.

Please return the completed CREDIT/DEBIT AUTHORIZATION FORM to the above address as soon as possible if you wish to have your payment automatically withdrawn from your checking account.
