National Park Service and Corral #14 Rules

1. Each wagon is responsible for your own food and cooking utensils, coolers for food and beverages, sleeping & camping gear, chairs, clothing and personal items, etc. **PACK LIGHT!** Bring your own drinking water, at least **5 gallons per person**. (note: Club water tanks are for livestock only). We have one freezer for Ice bags (\$2.50 each unless we have to purchase ice from Furnace Creek it could be \$5), and one freezer for your frozen foods.
2. Each wagon is responsible for: Cleaning of own camp area and stock area to the satisfaction of the Wagon Masters "Clean Camp Committee". You must bring equipment for staking of own stock. No stock is to be tied to any trees, shrubs, fences or emergency vehicles. No tie line will be available. Animals must be staked out.
3. Brakes are recommended on wagons. Shoes or boots are recommended on stock, because of miles of rocks.
4. Each wagon is limited to four (4) passengers. Outriders must be with a wagon. Adult riders are counted as part of the four(4) adult limit. Exceptions are by a club vote. Outriders are expected to be the wagon communications and traffic control.
5. This is a '**Family Activity**' Children of all ages are invited. No unsuitable actions such as "drunkenness, drunk driving, use of illegal drugs, profanity or vulgar action." Drug abuse may be reported to the park rangers by anyone.
6. Campers and trucks are limited to the emergency and working equipment only. **(limited to 3)**
7. If Corral #14 is charged by the Park Service for damage or cleanup, the offending WAGON DRIVER, and his/her passengers or outriders, agrees to pay the charges.
8. Recommendation – Work your animals. They must be in good physical condition for this drive. Know how much weight they can pull. Do not overload your wagon.
9. Each wagon is to bring personal trash bags, shovels and rakes for cleanup.
10. The corral will provide: Chemical toilets, wood for camp fires, water for stock, trash bags for manure, truck to haul trash, and an emergency vehicle. Ice will be available for sale at a nominal fee. A freezer is provided for frozen dinners you can make ahead of time.

Rules 11 –17 are required by **National Park Service Permit**

11. Dogs may come if you keep the following rules:
 - a). **MUST** be on a leash **AT ALL TIMES** – anywhere in the Park, on wagon or in camps.
 - b). **MUST** have current license and rabies certificate.
 - c). **MUST** clean up any messes left by dogs, including holes.
12. Stock must not graze on natural vegetation.
13. Left over feed and manure must be placed in trash bags and taken to trash trailer.
14. **No digging. Holes dug by stock MUST be leveled at each camp.**
15. All wagons, stock and motor vehicles **MUST** stay on roads and in **AUTHORIZED** camps. You must not drive on open land at any time day or night. Tire tracks must be raked out after leaving camps.
16. Fires must be in self-contained units with metal sides and bottoms. Ashes and unburned wood must be hauled away.
17. Each campsite must be returned to its natural condition.

"Reverse Drive" Daily Schedule for Drive 2024

Ashford Junction Start. Take Hwy 127 north out of Baker, CA. Make a left towards Badwater, (1/4 mile past the town of Shoshone). Go over Salsbury pass and Jubilee Pass. As you drop to the valley floor camp is on your left where Harry Wade Road intersects with Badwater Road.

Saturday November 9th, 2024 -Arrive at Ashford Junction. We will unload and our wagons and park our rigs on Harry Wade Road heading towards the north. Wagons will park anywhere they can. The support vehicles will arrive around 3 PM with water.

Sunday November 10th at 10 AM we will shuttle our rigs to Shoshone and park at their maintenance yard. Please conserve space.

Monday November 11th We will leave camp 8-8:30 AM. There will be pavement for about 4 miles till we get to the West Side Road. (16 mile day). We will stop around noon for a 1 hour lunch. We stop every hour for a 5 minute breather. Then on to Salt Tanks to camp. There is some sand that we will have to contend with.

Tuesday November 12th. We leave at 8:30 AM and head back to Ashford Junction (16 miles) We will be able to circle the wagons for a change at this camp. We will have many visitors.

Wednesday November 13th. This is a lay over day for fun and games. There is a waffle contest at 9:00 am. We will pick 3 judges. The winner is based on: 1) The best story, 2) The best presentation, and 3) The best texture and flavor. We have the day to play games, socialize, cook and shower (not necessarily in that order).

Thursday November 14th, we leave at 8:30 AM and head to Amarogosa River Crossing (15 miles). There will be some sand just before we get to camp.

Friday November 15th, we leave at 8:30 AM and head to Saratoga Springs camp (14 miles)

Saturday November 16th, Rise and shine early. We will visit the springs after breakfast (2 hours), hitch and leave at 11 AM and head to Wades Monument (6 miles). We will get there early enough so we can shuttle drivers to get our trailers in Furnace Creek. You can leave for home or spend the night and **leave Sunday November 17th.**
