Member Spotlight

In all of her years in playing golf **Carol Dergan**, a member of Miramar Memorial WGC has never had a hole-in-one. All of that changed in July. She defied the odds and had not One but TWO holes-in-one. The 2nd one was just weeks after her 1st AND it happened on her **83rd birthday**. Happy Birthday Carol! Both of her holes-in-one occurred at the Ocean Hills Country Club Estates in Oceanside.
