

Amazingly simple reporting Private parent communication

Kinderloop provides a private, fun and cost effective way for child care educators to document & share with family through real-time updates.

Benefits for educators

- ~ **Easy & fun** to document
- ~ **Secure and private.** Your loop is only accessible by the linked family members invited & your staff
- ~ Use **smart devices to capture moments**, events, photos; report instantly, saving time and resources
- ~ Create your own assessment tags to **simplify reporting** on learning outcomes
- ~ Develop and maintain **positive and constructive relationships** with parents, staff and families - they love Kinderloop!

Benefits for parents

- ~ Parents receive updates **via the free app** or email, all in real time!
- ~ Family members can **continue the learning** with their children at home creating a continuum of care
- ~ **Securely invite additional family members** worldwide to view your child's Kinderloop, its free and so is the app!

Ask your care provider to **invite you** to their private Kinderloop today
