- Please keep our community, school, students, and staff in your prayers.

SAD NEWS

It is with a sad heart that we inform our school community about the death of Sister Helen. Sister Helen and Sister Benedict left our school in the Spring of 2020. Besides praying for Sister Helen, prayers are also needed for Sister Benedict and the nuns in their order. Sister Benedict is currently in critical condition along with three other sisters. Four of the sisters from their order are recovering at their convent.

We will be telling 3rd-6th grade about this unfortunate news in person before dismissal and offering prayers. Second grade would probably have also had contact with the Sisters in some capacity, but we felt this news might be best coming from families for them. Please watch your students for signs of grief. If they need someone to talk to about this, Father Bill or a local counselor could be called in to assist.

COVID UPDATE

We have had our first positive COVID case in the building. Please read the letter accompanying this Blue Note. Close contact individuals have been contacted and quarantined. Others in the building are asked to be vigilant regarding symptoms. This letter also came out in a SchoolCast.

Please contact the school if you have questions or need guidance. Thank you!
