How did you Find out about Us? \_\_\_\_\_

Who may we thank for referring you? \_\_\_\_\_

You must have documents from your vet of vaccinations, **Bordatella** (kennel cough) must be within 6 months, **Rabies** and **Distemper** (Dhlpp) current within 1 year.

Our philosophy is to offer a stress free grooming experience for your dog. We pay special attention to older pets and pets with special needs. Your pet's safety and comfort are our first priority. We will not perform any grooming procedure that causes pain or a level of stress that we think is excessive. This includes nail trimming in some situations.

- 1. Health:** The animal is fit, healthy, and free of any contagious diseases. I understand that I must advise *It's Raining Cats & Dogs* of any medical, physical, emotional issues, allergies, sensitivities, or pre-existing conditions. This includes, but is not limited to, prior surgeries, hip or joint issues, warts, moles, ear infections or skin problems. I understand that if I have a senior pet, I will be required to sign an additional waiver due to the special needs of my dog

- 2. Vaccinations:** I verify that my dog is current on Rabies, Parvo/Distemper vaccinations, and I am in compliance with the laws of the Kane County. - 3. De-Matting & Shaving:** If your pet cannot be humanely de-matted, it may be necessary to ask permission (before starting) to shave the hair and "start over." Please keep in mind that a matted coat can cause numerous health conditions including itching, irritation, and skin infections. Removing a heavily matted coat includes risks of nicks, cuts or abrasions due to warts, molds and skin folds trapped and hidden in the mats. Heavy matting can also trap moisture near the pet's skin allowing fungus to grow causing skin irritations that exist prior to the grooming process. *It's Raining Cats & Dogs* is not responsible for any preexisting conditions due to a matted coat.

**4. Sedatives/Behavioral Issues:** For aggressive /anxious dogs with whom all other options have been exhausted, *It's Raining Cats & Dogs* may suggest sedatives for grooming appointments. *It's Raining Cats & Dogs* does NOT administer or prescribe sedatives. I understand that I must obtain a prescription from my veterinarian and administer the sedatives at home as instructed by my vet. I understand that *It's Raining Cats & Dogs* cannot be held accountable for any negative reactions my dog may have to sedatives. *It's Raining Cats & Dogs* reserves the right to use a muzzle or tether on your dog for safety purposes. Muzzling will not harm your pet, and protects both the pet and the groomer. *It's Raining Cats & Dogs* also reserves the right to refuse service at any time before or during the grooming process for aggressive or anxious behavior, and charge an Aggressive Dog Fee in addition to the grooming charge.
