

GRAND COUNTY WATER CONSERVANCY DISTRICT
GRAND COUNTY SPECIAL SERVICE WATER DISTRICT

Regular Meeting ----- July 26, 1990

The meeting was called to order by the Chairman, ATTENDANCE
D. L. Taylor at 7:00 A.M. at the District office. Other
Board members present were Gary Wilson,

Special Service District members present were D.
L. Taylor, George White, Dan Holyoak, Gary Wilson and Bill
McDougald.

Others present were Dale Pierson, Marsha Modine
and Roberta Highland.

The irrigation metered use was discussed, and what IRRIGATION
to do about overusers was discussed. A surcharge of \$30.00 METERED USE
per acre foot for those who have exceeded their 80% use was
suggested. George suggested a letter go out asking if they
wanted more water, and giving them a price. Dale pointed
out all the projections were based on an 80% use. It was
pointed out that when people use over 100% of their allot-
ment, it would cost them a total of \$70.00 per acre foot. By
consensus, those present asked Dale to get a letter out let-
ting users use over 80% of their allotment at \$30.00 per
acre foot, and if they go over \$100%, the cost would be
\$70.00. Bill McDougald moved the above outlined letter go
out as soon as possible. Dan Holyoak seconded. MOTION
PASSED.

Dale reported estimates on the truck valve and TRUCK REPAIRS
clutch job:

Repairs \$600.00 - 800.00

Those present agreed the truck should be repaired.
Dale reported the valves would be fixed, and wait on the
clutch. D. L. suggested we consider purchasing a new truck
at budget time.

The meeting adjourned at 8:20 A.M.
