Skinner or Foe? Any ideas?

The meeting was called to order at 2:22 p.m.

Thank you to Ron Ring, Gordon and Kathy Cisar for shopping for the meat for the shoot.

Welcome to two (2) new members, Allen Gallogly and John Gwinnup.

Allen Gallogly announced that the newly painted, large sign for the 2026 Squirrel Shoot is almost completed.

Ron Ring presented the winners of the Meat Shoot in order with 19 shooters participating. Deacon will post the scores for all to see.

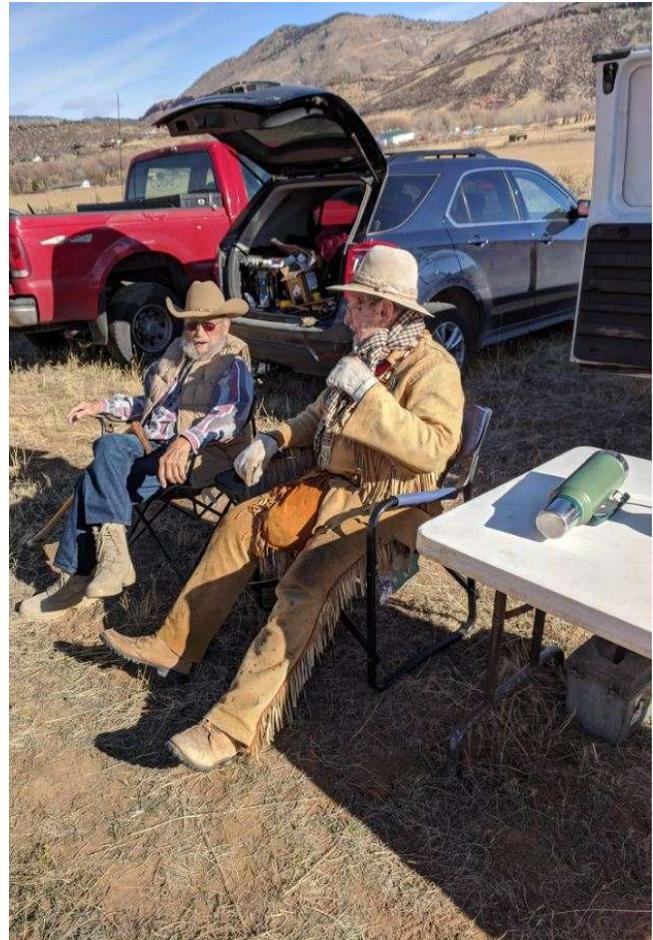

The Treasurer's report was read and copies distributed to the members. Motion made and passed to accept report.

The Christmas party will be held Saturday, January 10, 2026, at Grimm Brothers (same location as 2025) with an email sent to everyone with the time and other pertinent information. Be prepared beforehand about new officers to nominate for 2026.

New Business:

A discussion about building a lean-to attached to the shed for protection from the sun and wind when we have meetings. The horses might bother it if it is attached. Ron Mann discussed having an awning that we could take up and down. This discussion was tabled until 2026.

It was decided for the 2026 Squirrel Shoot to allow shooters ages 70+ peep and other iron sights. Motion was passed. The brochure for the Squirrel Shoot will have to be amended and sent out.
