Sage 50 Complete Accounting 2014

Easily Organize and Manage Your Business

At Sage, we want to make it easier for you to reach your goals and achieve your ambitions. And, whether you're after rapid expansion, steady growth, or simply remaining stable, Sage 50 Complete Accounting 2014 can take you there!

- Cinch the deal with a new customer by guaranteeing next day delivery—you know exactly what inventory is available.
- Successfully launch a new product—you can easily identify and market to your most loyal and profitable customers.
- Accurately determine the best course of action for reducing costs—you can create custom reports and "what if" scenarios using real-time data from Sage 50.

Here's What Sage 50 Offers

Accounting tools to get the job done

Sage 50 Complete Accounting is easy to use and comes with screen-level security and automatic accounting checks that give you confidence in the integrity of your information. Plus, it's installed on computers that you control locally.
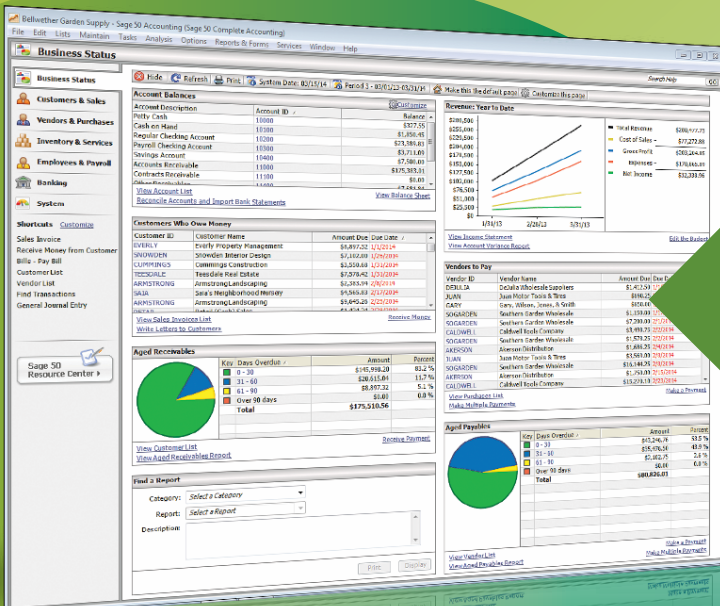

- Invoice customers by mail or email
- Monitor cash flow to meet current and upcoming payments
- Analyze profitability and pricing
- Powerful inventory and job management

Create shortcuts to common tasks, quickly access key screens, and get easy access to your most important business information.

WE SUPPORT YOUR BUSINESS LIKE NO ONE ELSE

Sage 50 Accounting comes with one year of Sage Business Care Silver[1], an auto renewing service plan that provides ongoing service and support. Sage Business Care will further help you reduce the time, effort and cost of operating your business.

- Keep your business running smoothly with unlimited[2] access to customer support for your Sage 50 solution.

- Stay up to date on the latest features with upgrades and updates for as long as you are enrolled in Sage Business Care.

- Make confident decisions with Sage 50 Intelligence Reporting, a custom reporting and analysis tool that uses the familiar interface of Microsoft® Excel® and real-time Sage 50 data.

- If you manage payroll in-house or have more than 50 employees, ask about our Gold or Platinum plans.

Insight into how your business is doing

See what's most important to you in an instant by using customizable dashboards and management centers. From account balances to inventory levels, you will know right away how your business is doing. Sage 50 Complete Accounting includes:

- Business Status Center
- Customer Management Center
- Vendor Management Center
- Inventory Management Center

Improved decision making

Running a small business means making tough decisions nearly every day. Sage 50 puts relevant information at your fingertips so you can make the best, most informed decisions. Whether you choose from the 100+ built-in reports or create your own using Sage 50 Intelligence Reporting, you will get a clear perspective for improved decision making.

Expand Sage 50 Functionality With Sage Payment Solutions

Sage Payment Solutions[3] is fully integrated with Sage 50. Transactions automatically appear so there is no need for manual data entry, reducing the potential for errors. Plus, you can accept payments from anywhere, including a POS device, mobile phone, tablet, or any computer running Sage 50.

As a Sage 50 customer, you receive these great benefits:

- No setup fees
- No minimum monthly fees
- No incremental mobile fees
- No long-term contracts
