

# SERVING *at the* CROSSROADS

September 9, 2014

Dear Glenna,

Thank you for the donation of your award-winning books to Serving at the Crossroads' "Ten Years of Serving" celebration. Serving at the Crossroads, a 501(c)(3) organization whose mission is to gather the resources necessary to build, equip and sustain a medical and dental clinic serving those in need in the town of La Entrada, Honduras.

Our philosophy is to **aid** those in need, **inform** local healthcare practitioners and **empower** them to serve and care for their own communities. We provide medical and dental care to address the most immediate needs for those less fortunate. We also teach local health practitioners up-to-date medical skills and how to use advanced medical technologies. Finally, we arm local healthcare providers with the knowledge, tools, and supplies they need to serve their communities.

Since our founding in 2004 we have built and equipped the Manos Amigas medical and dental clinic in La Entrada. The clinic is staffed by Honduran health care providers and opened 5-1/2 days a week. Several times a year, Serving at the Crossroads augments this staff with medical and dental brigades from the United States. Together, we have treated more than 80,000 patients and provided them with much needed medication. None of this would have been possible however, if not for the tireless efforts of more than 200 volunteers and the generous donations of our supporters.

On behalf of the Board of Directors, I want you to know that we appreciate your generosity and are grateful for your partnership. Your donation will help us continue to provide medical and dental care to those who otherwise would go untreated. Thank you for your support!

Regards,

Bobbi Hess
