**SAN ISIDRO**

Optical illusion of flat plain portrayed but when seen from the air and angle, the illusion becomes a 3-dimensional truncated pyramid.

Interestingly, such a motif is the same as that of the Luciferian Masonic unfinished pyramid as sign on the seal of their money. The motif is reminiscent of the interruption of the Tower of Babel by YHVH.

This is the hidden and occult knowledge given to Secret Societies. Lucifer is to come down to Earth some day and finish the work of uniting Humanity under one Lord, Lucifer through his religion, economy and government.
