Beautiful weather again on another great track that Ed said was 'gettable" well it got us instead. Shot of the trip on the #1 handicap hole 403 yards - Greg is on the fringe in front in 3 and 100 feet from the hole - roles it in for a par and a net eagle. Ed then makes birdie from 30 feet for a net eagle - Mike gets a 1 in 9s for his par. Ed birdies 18 for the second day in a row - this a virtual kick in from 3 feet. Quote for the day from Ed - "It's been a good run." Second place quote from Mike - When Greg comes down dressed for dinner in a shirt with no collar "Are you going to dinner like that?" Bruce was unsure if he could make it through the round so didn't play DGA but did make it and instead of heading home was able to stay for the finale on Friday. Mike drove Greg and believe it or not did not drive by his ball once. Ed offered \$20 to Greg or Bruce to ride with Mike on Friday - no takers!
