

Today won't be my Normal newsletter. I want to tell everyone to hold your family close. We lost a very dear member October 8. She was a dedicated member for many years. She was the RC of region 6 for a long time. And most important of all she was our friend. She had just opened her and Jerry's place for us to have a Halloween party. And what a time we had. I will hold that weekend in my heart forever as will many others. Rest in Heaven Bea we love u and already miss u so much.

Jerry and Bea were in a motorcycle accident doing what they loved. Riding with the wind in their faces. Jerry has a long road to recovery and will need all our prayers as his body and heart heal. We send our love and prayers to Beas kids and to Jerry's kids that have been dealt this blow to their young lives.

Please know that region 6 will do whatever these families need.

We will keep everyone updated on arrangements and if we will have a dinner or run to honor Bea.

Please pray for everyone that loves them.
