'For the Israelites will live many Days without a King or Prince, without Sacrifice or Sacred Stones, without Ephod or Household Gods. Afterward the Israelites will Return and Seek the LORD their GOD and David their King. They will come trembling to the Lord and to His Blessings in the Last Days'. –Hosea 3:4-5

The purpose of this study is to highlight the well-known Military Might of Israel and its Speculative Nuclear Arsenal. It is believed that Israel has possessed Nuclear Weapons since the Mid-1960s. As a result, the Nuclear Middle-East Arms Race ensued. Although no Official Statistics exist, outside of Israel, it has been estimated that Israel possesses 100 - 400 types of Nuclear Weapons; most are said to be situated Underground. Why Israel's Nuclear Arsenal is important is because Israel is at the center of the Prophetic Clock Count-Down to Armageddon. According to Biblical Prophecy, all the Nations of the World will come against Israel at the Battle of Armageddon, with Nuclear Weapons.

Why there is some Ambiguity as to the exact count of the Nuclear Arsenal is that Israel is not subject to the International Accounting by way of the Non-Proliferation Treaty. But therein, neither is Pakistan, India or North Korea for that matter. It was this lack of Transparency though that led the USA to invade Iraq on a 'Hunch' that the Country was harboring 'Weapons of Mass Destruction' WMDs, despite numerous UN Inspections that reported otherwise.

On a Side Note, Iraq had nothing to do with the 9-11 Attacks on the USA and yet it was invaded. Nonetheless, Israel seeks to maintain this off-set of Balance of Power with the Muslims, as the Neighboring Enemy States of Iraq, Syria along with Iran, have sought to build their own Nuclear Programs. The Muslims do have in possession, now Nuclear Weapons, i.e. Pakistan. But ethnically, they are not Arabs but Hindi.

For the purposes of this study, A Comparison will be made of Israel's alleged Nuclear Arsenal with that of other current estimated Nuclear Arsenals of other Nations. Then a possible Scenario of a Mid-Size Nuclear Detonation over the city of Damascus will be diagrammed to illustrate the scope of its Effects. This Scenario is Prophetically based on the Book of Isaiah 17, which is yet to occur, in one's Interpretation. Some basic Definitions of Terms of Key Players will be given to establish some Context for the study. Lastly a short Biblical study on the Prophetic Parallels of Judges 6 and Acts 9 will be given. It will be shown that History will be repeating itself based on patterns from the Old Testament.

Nuclear Deliveries

'Jericho' is the Name given to Israel's Ballistic Missile Systems. The Code-Name was taken from the Biblical City of Jericho. The Jericho III is estimated to have a Range of 5000-7000 Miles. It gives Israel Nuclear Strike Capabilities within the entire Middle East, Africa, Europe, Asia and almost all parts of North America, as well as parts of South America. A Launch from a Submarine off the Coast of any Land-Mass would arrive in major World Cities within 2-5 Minutes from its Launch.

Jericho I: 1970s

This is a Short Range Missile at 500 KM 310 Miles able to carry only about a 20 Kiloton Warhead (20x) that of Hiroshima. This 1st Generation System is said to be now obsolete.

Jericho II: 1980s

This is a Medium Range Missile. It could be launched from a Silo, a Railroad Flat Truck, or a Mobile Vehicle. This gives it the ability to be hidden, moved quickly, or kept in Hardened Silos. This 2nd Generation System is designed to survive any 1st Strike Attack.

Jericho III: 2000s

This is a Long Range Missile. It is speculated that it is an ICBM that has a 3-Stage Solid Propellant. It is possible for the Missile to be equipped with a single 750 Kiloton Nuclear Warhead or multiple Low-Yield Multiple Independently targeted Reentry Vehicle (MIRV) Warheads.

Given the current volatile Political and Religious Confrontations of the Middle East, Scenarios will be presented that will ascertain an Inevitable Nuclear Confrontation between Israel and its Muslim Enemies. The Arab Countries that are Geographically falling like Dominoes seems like a Well-Designed Explosion that could well trigger this Confrontation with Israel in the Near Future. Syria is aligned with the Policy and Aspirations of Iran in its stance against the State of Israel. Iran is a Staunch Supporter of Hezbollah that is also Shi'ite. You have to also realize that since the Armistice of 1948, Israel and Syria have technically been in a constant State of War with each other. They have no Normal Diplomatic Relations. There are several Factors that could play in the Scenario in which Israel might find it necessary to strike 1st, either at Iran, or Syria or both. Israel already has carried-out Attacks against Syria and Iran, intermittently.

Scenario 1:

Assad of Syria or those that could control the Country, in a desperate attempt to deflect pressure from the internal Civil War, will attack Israel with Chemical/Biological Weapons to foster Arab and Muslim Nationalism and divert the Focus upon a common 'Enemy'. There are Conflicting Reports that both the Government and the Armed Insurrection in Syria have already used such Chemical/Biological Weapons on each other with Civilian Casualties. Most of the Weaponry that the 'Free Syrian Army' has acquired with, was from the West through the CIA, M16, Saudis, etc. Libyan Stockpiles of Chemical Biological Sashes have also been brought in by the al-Qaeda Mercenaries with the aid of the West. Despite Assad ruling Syria with an iron Fist for so many years, he has now found himself being the target of the same fate as other Arab leaders that need to be 'removed' at the insistency of the West. Assad, however, has found an Ally with Iran and Russia that has kept him in Power. This has positioned Iran and Russia at Israel's Front Door.

The Globalists have been toppling these Arab Governments by the hand of Western supported al-Qaeda and other Muslim Mercenaries from Muslim Land and from other Government Supported Islamic Factions. What it means for Israel is that more Islamic Radicalized Governments are now in Power opposing the State of Israel. Thus, if Israel suspects that an Attack by any or one of these Islamic Groups on Israel will be imminent, no using Biological and/or Chemical Weapons, Israel will strike 1st to avert this Scenario. Isaiah 17 Strike.

Scenario 2:

A 'False-Flag' will come from the growing Elements of the planted Covert Black-Ops within Syria of Israel, as a pretext of blaming each other to justify Retaliations. Biblically Speaking, one believes that behind the Ancient Middle East Conflict, is the 'Black Hand' of the Diabolical Globalists Cabal. They have been designing and implementing their Plans, step by step – Country by Country. There is Evidence that this 'Black Hand', behind the scenes, pulls the Strings of World Affairs and that initiates Wars and Conflicts on Innocent Populations.

In the USA, the Department of State is one such Culprit and is a Den of Vipers. It has thus far insured the overthrow by design of Tunisia, Libya, parts of Yemen and Egypt. **Now Syria and the Ukraine have been designated to implode like the others. This outcome will ensure that, at an Opportune Time, there will be an eventual United Arab Assault on Israel as foretold in Psalm 83.** For example, during the Syrian Civil War, the 'Free' Syrian Army was not Free, not Syrian and not an Army. It is mostly made up of al-Qaeda and Extremist Jihadist Mercenaries imported from Libya, Saudi Arabia, and other Muslim Nations. As suspected, they were trained by the Western Powers/CIA, SAS etc. If any or one of these elements takes control of the Syrian Government by Subversion, they may very well initiate a False-Flag Attack on Israel that will be intended to be the Excuse Retaliation and Escalation of the Middle East Wars that will lead to Biblical fulfillment of Prophecy.

Damascus - 200 Kilotons

Realize that Israel, in its Northern Front is going up against a 3-Headed Dragon, Russian, Iran and Syria, in that Order. Israel must Retaliate before an All-Out Front Attack could occur with such Weapons in the hands of their Muslim Enemies that have sworn to use them to obliterate the 'Zionist State'. Hypothetically, if Israel were to strike Syria 1st with a Nuclear Warhead, i.e., the Samson Option, it would mean that the Perceived Threat to Israel would be to such a level that the potential Genocide of the Jewish Race would be hanging in the Balance. This is no small or trivial Decision to make for Israel. Such Apocalyptic Scenarios could surely spark the World's Outrage. But it would also start of the 'Countdown' to the Psalm 83 War and the Prophetic Gog-Magog Invasion of Israel that ultimately will lead the Nations to Armageddon.

A Nuclear Strike from an Israeli Submarine off the Coast of Lebanon for example, would arrive in Damascus within 2 Minutes from Launch. A Jericho Nuclear Warhead from a Silo in the Negev Desert would arrive in Damascus within 4 Minutes. A Strike using F15 or F-35 Jets would not be the best option as Syria has advanced Russian Anti-Aircraft Missiles. Damascus has a Radius of 10 Miles, which includes the Ancient Center and 'Straight Street'. That is where the Apostle Paul stayed after his Encounter with Jesus Christ on the Road to Damascus, as recorded in the Book of Acts 9. This is how just a 200 Kiloton Warhead would do to Damascus. It would be estimated that around 1.7 Million People would be Killed Instantaneously from Ground Zero. Another 4.8 Million Lives would be directly affected within the 30 Mile Metropolitan Radius.

Demographics

The Stats below outline the Ramifications of a Mid-Size Nuclear Detonation at .8 Miles above the City of Damascus. In all probability, there is no likelihood that just 1 Nuclear Device would be Detonated. No doubt there will be several Warheads launched to assure certain and Successful Deliveries.

<i>Destruction</i>	<i>Total</i>	<i>Heavy</i>	<i>Moderate</i>	<i>Mass Fires</i>	<i>Radiation</i>
<i>Miles</i>	.3	1.6	2.4	4.3	6.5
<i>PSI</i>	30	10	5	2	1

1 Kiloton Warhead = 1x Hiroshima

20 Kiloton Warhead = 20x Hiroshima

100 Kiloton Warhead = 100x Hiroshima

Current World Estimated Nuclear Arsenals

The Table below depicts nearly all the Top Armies of the World ranked by Global Firepower.com. About half the Nations listed with current Arsenals are not party to the Non Proliferation Treaty (NPT), which requires UN Inspection and Regular Monitoring. Below is the Nuclear Proliferation demographic make-up of Nations that have the Technology of harnessing the Atom for Military Purposes. All the Major World Religions are now also represented: Christianity, Atheism, Judaism, Hinduism and Islam.

Political Analysis

If the Syrian Government falls, it will be inevitable that Groups like Hezbollah and the other Special-Ops or Muslim Paramilitary Groups will fully control all the Chemical and Biological Stockpiles in Syria, as they have been in Libya and Egypt. Current reports state that Iran has funneled such Weapons. Why this is volatile, is that given this eventual Outcome, Israel has yet another entire Front of Militant Islamist Factions on its Border to contend with. One's Political Science Projection of the outcome, is that it is in the Favor of the Syria-Russia-Iran Alliance. Thus, the need for Israel to deploy the Samson Option, eventually. This will lead to the Humiliation of Russia and a set-up for the Gog-Magog War that is bent on the same quest to Destroy or Plunder Israel.

But the Palestinian Problem is what could be the trigger that might set the Stage for a much larger Israeli-Muslim Confrontation. As to why the MI6, the CIA, and British SAS were in Syria working with the 'Free Syrian Army' and the Syrian National Council remains to be fully explained to the American Taxpayer. This situation eerily echoes the same 'Game Plan' of imposing Economic Sanctions and No Fly Zones on Iraq, Libya and Serbia, etc. These were used to set-up the Stage for eventual Ground Invasion. What 'Saved' Syria was Russia's Intervention. The UN and US Sanctions against the Assad Government had only put Assad in Russian's Corner.

Assad was forced to use Brutality to squelch the Insurrection that has been propagated much like it was in Libya and Egypt by co-opting its Civil War and planting Foreign Subversives as Opposition, supported by the West. Why the Hate towards Israel? To the Muslim Point of view, Israel is seen as 'Zionists' bent on Expansionist Policies that are based on a 'Religious' Biblical Mandate to take 'Thei' Muslim Land and rule the World. The Muslims view the Jews Racists, dominating not only the Region but the World through their International Banking Cartels and Multinational Corporations.

Muslims, however, refuse to see that they have done the same and seek to do the same. **Israel's Self-Defense Tactics used to ensure its Security and of its Treatment of the Palestinians have caused many in the World to turn against them. Israel will eventually be left to its own demise.** This is why one is convinced, Israel will have no choice but to rely on its Nuclear Deterrence for ensuring its survival. Thereafter, a 'Peace and Security' will be procured by the New Emergent Leader of the New World Order. The following Section will breakdown the Entities that are prominent in the quest to foment Chaos out of Order against Israel and the entire Middle East.

al-Qaeda

The Word literally means 'The Base'. It is a Global Militant Islamist Organization said to be founded by Osama bin Laden around 1987-88. It ascribes to a Radical Sunni Doctrine that calls for 'Global Jihad' against Israel and the USA/West. It ascribes to a Strict Interpretation of Sharia Law. It is widely believed that it carried out the attacks of September 11 in the USA. But due to increasing and mounting Evidence, it is becoming more apparent that 9-11 was indeed an 'Inside Job'. It is a fact Reagan invited al-Qaeda 'Freedom Fighters' to the White House and the CIA helped support and train al-Qaeda during the Soviet invasion of Afghanistan. Note that when 9-11 occurred, not only were the Palestinians Dancing but so were some Jews.

Muslim Brotherhood

This Organization is the largest Political Opposition in many Arab countries. It was founded in Egypt in 1928. They combine Political Activism with Islamic Charity Work to gain Popular Support. Their Agenda strives to have Islamic Governments eventually unite under one Caliphate. This 'United States of the Arabs' seeks Jerusalem as its Capital.

The Organization was funded by Hitler during WW2 and started as a Masonic Lodge that is current to this Day. Following the Egyptian Revolution of 2011, this Entity was Legalized and gained a majority of Seats in the Legislature. Of note, the Party forbids Women or Copts from holding certain Political Offices. Egypt has an estimated 6 Million Coptic Christians.

H.A.M.A.S.

The Word means 'Islamic Resistance Movement'. Hamas also means 'Devotion' and 'Zeal in the Path of Allah. It is a Palestinian Sunni Islamic Organization founded in 1987 during the 1st Intifada or Uprising against Israel. Their Main Objective is to liberate Palestine by destroying Israel and establishing an Islamic State in its place. In 2006 Hamas won a Majority Vote for Control of Gaza against the PLO-Fatah Party. The largest supporters of Hamas are Saudi Arabia and Iran. Hamas is one that distinguishes between so-called 'Jews' and 'Zionists'. Its struggle is said to be solely directed against the State of Israel and denies the Holocaust.

Hezbollah

The Word literally means 'Party of God'. It is a Shi'a Muslim Militant Group and Political Party based in Lebanon. Their Main Goal was to ensure Israel's Departure from Lebanon during Israel's Occupation of Southern Lebanon in the early 80s. It also calls for the Destruction of the State of Israel, which they refer to as the 'Zionist' Entity. It engages in Guerrilla War Tactics against Israel. It was the 1st to use Human Suicide Bombers and the capturing of Israeli Soldiers. The Hezbollah Forces are trained and organized by the Iranian Revolutionary Guard.

Damascus, then as it is now, is a key Commercial Hub with trade Routes that made it one of the Major Cross-Point in the Middle East. It was at this City that according to the Bible, Saul's view of Christianity before his Conversion is like that of the Arab's view of the Jews now in Israel. They both wanted and wanted everyone involved with it, Destroyed. Saul was nearing Damascus but suddenly found himself surrounded by a very 'Bright Light'. He fell to the ground and heard a Voice from the Heavens say, 'Saul, Saul, why do you Persecute Me?' It was the Voice of Jesus Christ Himself.

It was not the Believers of Christ but Jesus Christ Himself, whom Saul was opposing. Likewise, Arabs do not realize that it is not the Jews or 'Zionist' that they are opposing and seek to Annihilate. **It is Jesus Christ Himself whose Land and People are both tied to or 'Covenanted' to the Land as an Inheritance from YHVH. The Jews and the Land of Israel are inseparable in the Eyes of the GOD of the Bible, YHVH.**

And the Jews, despite Centuries of Persecution and Slaughter in the Name of 'God', both Christian Catholic primarily, and Muslim can never be completely destroyed. If so, then YHVH would be reneging on His promise to Abraham, King David, etc. For that matter, YHVH left but 1 Tribe, Judah, to fulfill and keep His Promise. Saul of Tarsus was feared and considered a Fierce Opposer to those Followers of 'The Way'. Yet Saul converted due to this Encounter with a Risen Jesus, on the Road to Damascus.

This is the Way - On the Road to Damascus

Likewise, Syria is considered a considerable foe. Yet according to Isaiah 17, Damascus will face a similar Judgment as it is perhaps metaphorically 'blinded' by a Nuclear 'Bright Light'. There might very well be a lot of Conversions on the part of both the Arabs and Jews after such a Nuclear Strike. Perhaps it will be because the Muslim Allah did not protect the Arabs from such a horrific judgment. And because the Jews will see their Prophecy fulfilled. And because the majority of Christians just 'Disappeared' right before the Detonation, i.e., the Rapture, etc. Realize that because of the Syrian Civil War, the Slaughter of Syrian Christians at the hand of the Muslims and Immigration have rendered Syria free of the Christian Witness.

All this, is Speculated that the Rapture and a 'Sudden Destruction' will coincide. Saul experienced 3 Days of Blindness. Perhaps there will be 3 Days of Total Darkness as the Nuclear Fires rage and The Dark Clouds descend from Damascus with Radioactive Ashes that will block-out the Sun's Light. Perhaps as the Darkness falls on Damascus, the 'Light' of YHVH's Word will relieve Israel's Temporary Blindness per Romans 11:25. As to Saul? Now, Paul, became 1 of the Greatest Witnesses for Christ after his Conversion. He suffered Imprisonments and Persecutions for his Witness.

As one suggests, as the Bible does correlated the Rapture to coincide with a 'Sudden Destruction', perhaps such will be the Time and Place, concerning the Destruction, overnight of Damascus per Isaiah 17. What this means also is that the Church Age has just Ended. And the Witness of Jesus will be transferred from the Church to the 144,000 Jewish Evangelists. They will be Sealed and Anointed as the Book of Revelation describes. These, like Saul, are the ones that will see the 'Bright Light' of Christ and come to see Yeshua (Jesus) as the Messiah of Israel.

They in turn will have the same Zeal and Fervor for World Evangelism as Paul had and with the same Power, Effects and Outcome. Paul at the end of his Ministry was Executed by the Roman AntiChrist type Nero, for being a Witness to Jesus. Many Believers coming to Jesus during the Tribulation, that were Witnessed by the 144,000 Jewish Evangelists will likewise be Beheaded and martyred for their Witness. These are the ones that will not pay Political or Religious Allegiance to the False Prophet and AntiChrist, whoever they will be but will pay with their very Lives. The Geo-Political Context will be of the 'Revived Roman Empire', based on Nebuchadnezzar's Statue in the 'Last Days'.

There will be a Consequence for not taking on the Globalists Banking System 'Mark; that will be Mandated for any Commerce to occur. Now, a Spiritual Comparison between Jericho and Damascus will be made with Rapture Overtones. It will involve the manner in which Jericho was 'Suddenly Destroyed'. Perhaps it may well be the same way in which Damascus is to be a 'Heap of Ruins' If Isaiah 17 is what it is referring to. Jericho was encircled 7 Times and on the 7th Time, the City was encircled 7 Times. Here is a 7-7-7 Pattern that speaks of 'Completion' or Totality. As a result, the City Walls 1) fell down and 2) the Fighting Men went-up at 3) the Shouts and sounding of the Jewish Shofars. One surmises that this is a Type or Picture of the Rapture.

Walls of Jericho - Parallels from Joshua 6

Perhaps at the Time when a 'Sudden Destruction' comes upon Damascus, it is because like Jerichah, the People of the City opposed Israel's Right to the Promised Land. And that will be the Timing or Season of when the Rapture could occur. One conjectures and calculates a Mid-Summer Wheat Connection. Concerning Israel in the Promised Land, it is also interesting to note that for the 1st Time since World War 2, the Jewish Population has reached 14 Million Worldwide. The Jewish Population was nearly Decimated in the Nazi Concentration Camps by the end of World War 2. It appeared that Ezekiel's 'Valley of Dry Bones' came to pass. Miraculously a Jewish Nation was thereafter 'Born' from the Ashes to become one of the greatest Armies in the World, to this Day.

Since then, there has been a steady increase in Jewish Demographics that puts Jews now living in Israel Proper at over 7 Million and another 7 Million throughout the World. Here therein is another 7-7 Pattern that perhaps might be tied into the 'Last Days' that Hosea spoke about. Perhaps it would be in the 'Last Days' when, at a certain point in Time, based on a particular Number Count of Jews being alive, that a 'Completion' will occur. And this could occur in Tandem with the Completion of the Church Age. This 'Completion' will set the Stage for another Desolation that is depicted also from Ezekiel.

That Depiction is of the Gog-Magog Invasion that is coming to Israel. One conjectures that this War will occur during the 7 Years that still remains in concluding the 490-Year Judgment Prophecy against Judah. This could very well be what Daniel 8:14 refers to. The Tribulation Period will be when Israel, like a Saul, will have a direct Encounter with Jesus. It will be when all of National Israel would seek and realize Jesus Christ to be their Messiah when His 2nd Return occurs. As to the Rapture Typology?

Jericho's Total Annihilation and of its Inhabitant, minus Rahab and her Family, produced such a Psychological Trauma for the rest of the Canaanites that remained throughout the land, that they thereafter sought Peace with the Israelites. Perhaps so too, once Damascus is a 'Heap of Ruins' as Isaiah 17 describes it, the once fortified and proud Arab City that will fall Fast and Hard will be so devastating to the Morale of the rest of the Arab World, that they will seek 'Peace' with Israel. But this Peace will be a False Peace. It will come, based on one's Political Science Assessment, to occur after the defeat of the Inner-Ring of Muslim Nations that will be the Psalm 83 War.

This came about as a United Front Retaliation against Israel for using the Samson Option against its Northern Front. But note, that to the Muslim Psyche, a 'Peace' is only a Reprieve to Rearm and prepare for their next War. At this time, thereafter, is when Israel, for the Time being, will live in 'Un-Walled Cities' but with a False Sense of Security due to the 'Peace' that ensues. This will also be because the Land 'Covenant' will be Confirmed by the then identified AntiChrist with the 'Many'. The 'Many', in one's Interpretation refers to the Reconstituted Sanhedrin that will rule Israel at this Time and Place. This Period of Peace will be short-lived, as the Outer-Ring of Arab Neighboring Nations will have only bought Time to strengthen their Alliance among themselves with Russia. This will culminate in a Massive Attack on Israel as described in the Gog-Magog invasion of Israel.

Sudden Destruction

As to Damascus? It is also interesting that the City of Damascus lies at the 33° Latitude. This is key in that the Occultists, that run World Governments and wage World Wars, specifically express their Dealings through specific Numbers and Places. For example, Hiroshima lies almost on the same exact 33° Line as Damascus. Nagasaki lies at the 32° Latitude. Many suggest that these cities were precisely chosen to be destroyed by the 1st Nuclear Bombs because of their Latitude-Number Association. This happened on 1945, August 6th for Hiroshima and then 3 days later on August 9th with Nagasaki.

A 6-3-9 Pattern is Significant in the Occult. Could it be no different for Damascus if there is some validity to this assertion of what Isaiah 17 declared about it and where the City happens to be Geographically situated Numerologically? In Jericho, Rahab and her family were the only ones 'Saved' from the City's Sudden Destruction. They were 'passed over' due to the Red Chord that needed to be placed outside their Home as a 'Sign' to the Israelites. This speaks of the Passover Protocols, of having the Red Blood of Christ that spares a Person from the Wrath of YHVH's Judgment due to Sin. In a far larger Metaphorical Sense, the coming Judgment of YHVH upon this World can be seen as a 'Jericho'.

Like Jericho and possibly Damascus, to a lesser degree once the Judgments of YHVH start to be poured-out by the breaking of the Seals of Revelation, the Vial or 'Wall' of one's Mortality will Fall, like the Walls of Jericho. Jesus' People will then be able to Go-Up, i.e., the Rapture, as the Fighting Men did that were led by Joshua, a Prophetic Type of Jesus. Jesus is the 'Captain of our Salvation', that will be calling His Bride to Go-Up 1 Day. And that Day might indeed coincide with a 'Sudden Destruction' of a certain City by the Sons of Israel as Isaiah 17 foretells. If, so, then this is when it perhaps, at a Point in Time, that the Shout of the Voice of the Arch-Angel and the Trump of GOD will initiate the Blessed Hope. As Joshua spared Rahab and her Family from the City's 'Sudden Destruction', so too Jesus Promises to Spare all those whose Sins are Washed by the Blood of Christ, the Messiah.

It is the Sacrifice of Jesus on the Cross that can only Pay for Sins. Realize that not only are the Sins Washed-Away through His shed Blood, but Christ moreover has also Qualified His Followers to share in Christ's very own Inheritance. Christ's Blood is that 'Sign', that Red Chord against the Coming Wrath of the Lamb, Jesus. It is a Wrath on this World's City, much like it was with Rahab living on the Walls of Jericho. This Covering of the Blood was a Type of the Passover going-out of Egypt and a Passover going into the Promised Land. This Sign in the End Times, will be the Rapture Event. It will be a Sign to Israel and the World. It will be the Proclamation of the Blood of Jesus Christ that was over Homes and Families as Rahab had witnessed against the Judgment of YHVH to come upon the Nations after the Rapture.

ETERNAL BATTLE FOR ZION

Burden of the Nations

This Book ascertains Events surrounding Israel as the Fig Tree Nation and how it is being contested by the Nations and coming from the Muslim Arabs who call themselves 'Palestinians'. It is a 'Battle over Zion' and who will get that as the 'Winner takes All'. This was not the case initially when the Palestinians had a chance at having their own State. They rejected the U.N. Partition Plan in 1947. This book will examine the Political, Social, Religious Factors of how Israel is fast approaching its ultimate Rendezvous with its Prophetic Destiny as the Nations contend for the Promised Land, Jerusalem and Temple in this last Fig Tree Generation.
