

ProPak China 2020 Postponement Announcement

The 26th edition of ProPak China 2020, will now take place on 25-27 November 2020 at the National Exhibition Convention Center (Shanghai) (NECC) in Shanghai [rescheduled from 22-24 June 2020].

Since the outbreak of the pandemic, the organizers have continued to listen to exhibitor feedback and monitor the global situation closely. It's the absolute priority of the organizers to deliver safe and successful events. Furthermore, with travel restrictions in some countries, imposed quarantine for returnees, this postponement will provide far greater flexibility for our community and allow optimal business performance for exhibitors and buyers by hosting the event at a later time.

During these times, it is more needed than ever before that industry has platforms to come together. With this in mind, we are working on a comprehensive e-commerce platform - Virtual Expo Connect, which will take place from June 2020, to break the physical restrictions and facilitate unlimited connections among global health and food companies during this unprecedented time.

Finally, the organizers sincerely appreciate the understanding and support of exhibitors, partners, and all ProPak 2020 stakeholders.

Stay well and stay safe, we wish you and your families remain healthy during this difficult time. We will make the waiting worthwhile and look forward to welcoming you in Shanghai in November!

Yours sincerely
