

Welcome to the 2019-2020 Travelers Rest Resort Season!

Travelers Rest Resort, entering its 47th year, is still one of the most active RV parks in the country. This park relied on the volunteers when it began and that holds true today.

Our volunteers make things happen throughout the season. Take a serious look at this Activity Book and you'll know why many of us decided to make TR our home away from home.

Travelers Rest is special because of your leadership and willingness to share your time and talents. Your past and future dedication enables us to have a lifestyle we all enjoy. The work you do is valuable.

The success of TR each year is due to the generous people who pool their time, talents, and energies. Let's make our ancestors proud. We will continue working together for another great season. Experience tells us that we truly know how to do it and do it well. Our volunteers know how to make things happen!

TR GOLF ASSOCIATION GOLF COURSE RULES

The following rules are presented in order to provide the information necessary for everyone to use the golf course in a safe, enjoyable manner. The course is the result of the effort of many people here at TR today and over many years. Your cooperation in helping us operate and maintain the course is appreciated.

1. Golf fees are collected at the Starter Shack during the season. During the summer months when no Starter is present, the fee is paid at the TR Office except when the office is closed. When that occurs, the fee is paid on the honor system. Envelopes for this purpose are available at the mailbox beside the Starter Shack door. Please complete the necessary information, place the money in the envelope and insert into slot on the Starter Shack door. Attach the ticket portion of the envelope to your golf cart.
2. Annual fees can be paid by cash or check at the Starter Shack during posted hours November 1st through January 31st. Fees may also be paid by credit or debit at the Office only during regular office hours any time of the year.
3. All requests for Annual Fee refunds must be submitted in writing to the TR Board of Directors for consideration.
4. Provisions may be made by the Starter or Starter Chairperson for rain checks.
3. The Starter Shack operates from January 2nd to March 31st from 7:30 a.m. to 5:00 p.m. Scheduled tee times are necessary for play the following day.
 - a. One player may sign up for a tee time for his or her group. The person must be a member of the group playing in order to sign up for a tee time.
 - b. Singles may sign up in any vacant tee time.
 - c. All members of a playing group are to be present 15 minutes prior to their scheduled tee time.
 - d. Players may sign up or be signed up in advance for only one scheduled tee time per day. Under these sign-up procedures, a person might be able to play more than once per day as a walk-on. A walk-on with no prior scheduled tee time takes precedent over a golfer who has already played 9 holes.
4. Scheduled TRGA events are:
 - Ladies' League** – Wednesday mornings 8 am till Noon. Begins the 1st Wednesday in November and League play ends the last week of March.
 - Men's League** – Thursday mornings 8 am till Noon. Begins the 1st Thursday in November and ends the last week of March.
 - Scrambles**- 2nd, 3rd and 4th Saturday a.m. of each month November through March. Mixed Scrambles – 2nd and 4th week, Couple Scrambles - 3rd week
 - a. Visitors are urged to join in the Men's or Ladies' League play by informing the Chairperson of their presence and either joining the League or paying the daily fee and playing with the League for that day.
 - b. If a person plays in Leagues, Scrambles, or Special Events, they cannot sign up in advance for a tee time later that same day; they can play as a walk-on if an opening is available.
5. All golfers must play with their own set of clubs.
6. A visitor or guest may play as long as they pay the appropriate fee.
7. All TRGA regulations apply to golfers playing on the T.R. Golf Course. Players 16 or younger are permitted on the golf course only when accompanied by a resident golfer.

8. There may be only two power carts in a group. Cart owners must share a ride if necessary, to comply with this regulation.
9. All power carts must have the proper tag, current year displayed in the lower right hand-corner of window. Handicapped players using a power cart must request a cart flag from the Starter before starting play. Flag must be returned after play.
10. Foursomes are the largest number allowed in a group unless part of a scheduled Special Event.
11. Appropriate golf attire must be worn at all times. Only golf shoes with soft spikes or athletic shoes normally used on golf courses are permitted.
12. If there is a complaint or suggestion in regard to the course or persons on it, forms are available in the Starter Shack for your convenience. See Annex E, Section 12 a-d and Annex E section 13 for further instructions.
13. The Starter will check bag tags before play to determine that the appropriate fee has been paid.
14. If no Starter is available, the ball rack is to be used to determine sequence for tee-offs. The person who places a ball in the rack must stay in the tee area.
15. All golfers must start on the first tee except during League play and Scrambles.
16. Practice areas are set aside for practice. Do not use the course for practice.
17. All golfers must pay the appropriate fee prior to teeing off at the first tee. Any golfer on the golf course that has not paid the appropriate fee will be issued an initial warning. If an offender is caught in a second offense, a \$15 penalty will be assessed and the appropriate fee must be paid prior to continuing play.
18. **CART PATH RULES:**
 - a. All golfers, with exception of those using power carts with the Handicap flag, must use the posted 90-degree rule and use Cart path only for Par 3 holes at all times.
 - b. All golfers using powered golf carts **including Handicapped golfers** must observe the **CART PATH ONLY** rule when signs are posted at the 1st Tee and in the Starter Shack. The course conditions determine the need for the CART PATH ONLY usage.
 - c. All golfers with the exception of marked handicapped carts, must keep carts a minimum of 30 yards from the greens.
 - d. Handicapped golfers using powered carts must request a flag to be issued and displayed. This flag authorizes them to use the rear of the greens and drive closer to the greens using the 90-degree rule unless the CART PATH ONLY sign is posted. Flag must be requested and returned each game.
19. Pets are not permitted on the golf course at any time.
20. The TR Course is closed to golfers on Tuesday mornings till Noon for Course maintenance. This is the only time that walkers and bikers may use the course for their activities. Please note pets are not allowed at any time.
21. Please observe all rules posted out on the course.
22. Each golfer is liable for all damages he/she creates to persons or property.
23. The TR Golf Association Guidelines, Rules, Policies, and Procedures for the operation and use of the golf course are posted on the #1 Tee.
