DESCRIPTION: Great looking and performing Howatt recurve. The Monterey was a grade above the Ventura. Has a factory installed plunger button. No delamination; no cracks; limbs are straight. Overlays and tips are in great condition. 3 visibly faint small professionally filled sight holes (see pic on p. 3). No chips, dings or cracks. No stress lines or crazing. A few minor scratches and scuffs here and there. Typical "yellowing" of the limbs. This is a really nice bow in excellent condition for its age.
