

Mini Me Brochures – Little Brochures – BIG Impact! A well-proven marketing tool

These brochures are business card size. They are folded into 3 allowing more information to be added giving greater impact to your business.

There are many amazing advantages to the Mini Me Brochures

Low Cost Printing

Cost of printing is substantially lower than DL or A4 size brochures.
Can be used as a business card, saving you more money

High Visibility

Over 60 stands throughout the Whitsundays and Proserpine including displays in Whitsunday Maxi Taxis, Whitsunday Coast Airport and 3 Mining Camps down the Mining Trail.

Tidy and Professional presentation

Our brochure stands are eye catching, clean and uncluttered.

High Traffic Positions

Brochure stands are located on hotel reception desks, travel agencies and many more prime high volume traffic locations.

Right People in the Right Places

Each location is monitored for effectiveness, targeting the tourism market as well as the locals in each region.

Distribution

A cost effective brochure distribution service you can rely on, saving your precious time and marketing dollars. Our staff are out weekly so you can be rest assured your product is always available.

More Useful

Mini Me brochures can include location maps, takeaway menus, timetables, discount advertising and more.....

Pocket/Business Card/Wallet Size – easily transportable

Mini Me brochures stay with your client longer because they are so easily transportable. Your clients will take Mini Me home, keep them in their wallet/purse for future reference or give them to their friends.

Personalised Marketing

Clients walk away with your individual business in their hand.

World Proven

Mini Me Brochures are an effective marketing tool throughout Australia, New Zealand and Overseas.
