

Weddings for Warriors Vendors & Contributors—without which W4W could not exist.
W4W is a grassroots project that offers a fabulous and free wedding to couples serving in the Armed Services. Our Texas community gathers together to express gratitude and appreciation and to honor our heroes in the US military who serve and protect.

Vendors and Volunteers---the behind the scenes heroes!

*Fayetteville and surrounding communities, without which W4W could not exist.
A special shout out to CH Harvey who has graciously supported W4W project.*

Thank YOU!
